SUBLISHED WEEKLY BY Mosher @ Backus,

AT ANDOVER N. V.

Prince Chun's Mission Performed. Prince Chun, representing the person p of his imperial brother, the emperor c China, has made explation for the murder of the German embassador at 1 king, having made a pligrimage to Germany and presented the apologies of ) like so humiliating to the Chinese envoy as the public had been led to be- | . lieve it would be. It was said that Emperor William at first demande that Prince Chun should kotow before him, that Prince Chun refused to do so and that after a considerable a of wrangling the Chinese nobleman had his way and the German emper-

remitted his demands. true. However, the emperor is to be l commended for not insisting upon the envoy, who is himself an unoffending should be sailed, it is felt that a some- representatives and presidential elect- United States. for his government. I toward candidates for the honor

Kotowing, or prostrating oneself upon the floor at another's feet, is an furnishing a cup defender. old time custom in China, the purport of the one who performs it to the one New York Yacht club or any individual subjects when approaching the dragon this and other international contests of throne. Once they demanded that the skill and prowess in sport. And it [ " embassadors of foreign powers should wants to see such contests, so far as ; kotow before them. To this the latter our end of them is concerned, made vigorously demurred, on the proper broadly and representatively American. ground that such an act would imply If a contest purports to be internationthat their sovereigns were inferior to al, the American people want to be repand vassals of the Chinese emperor. So after a struggle the Chinese em of American skill and prowess and peror agreed by formal treaty to let have the preparatory tests open to all
