AT AMOOVER, W. Y.

For This Week.

taking a hand in a good many ques epposition which numbered between and foreign corporations with the exthree and four hundred physicians, ception of transportation companies meeting in Albany, send most of its ations is reduced from one-twentieth of tepresentatives, but other physicians 1 per cent to one-fifteenth of 1 per from all parts of the state were prest cent. The license fee for foreign corthe Brackett bill legal- porations which answers to the doizing osteopathy in this state. The mestic corporations' organization tax most weighty opponent of the bill, is reduced from one-eighth to onehowever, was Bishop Doane, who as a lifteenth of 1 per cent. member of the state board of regents, represented them and vehemently opposed the bill. He characterized the ferences have been held between esteopaths as men of one idea and members of both houses who have that idea a very narrow and contracted one, and he petitioned the committee to kill the bill which in his opinion i as a representative of the regents was most pernicious and detrimental to the interests of the people. The bishop made an imposing appearance and his

clear voice rang out in most convincing tones. The opposition was also represented by such men as Or. Abraham Jacobi of New York, who although very small of statute and fee ble of voice presented most weighty arguments. Dr. Vanderveer of Albany also voiced the sentiments of the opposition, but it is most likely that i Bishop Doane's voice and sentiments! garried the day. The osteopaths gave Regalized, but alas! for their hopes the bill died in committee and osteopathy. upon by all who were familiar with the come him. treatment by minpulation of the bones and joints, is only dry bones as far as other so-called great cures as the the bills. troubles. They play upon the name Chase, but dare not use the initials "A. W." They imitate, but dere not counterfeit the

Who are easily exhausted.

My lungs and bronchial tubes were! They settle irritated nerves, replace lanvery sore at this time, but I was com- guor and lassitude with energy and anima-

The above is the right kind prepared by the Dr. A. W. Chase Medicine Co., Buffale: N. Y., 50 cents per box. All others are imitations.

Every Day

Bargain Day

In looking over our stock the first of the week, should judge the people had found it out. But we are all ready again. New goods coming in fast. We are too busy filling up shelves to make out list this week. Come in and look, get prices, and save money. We are still making prices that bother them.
