AT AMBOVER, P. V.

ARROYER, N. Y., PER. 19, 1952.

The premulgation of the Anglo-Jap-These alliance is not a diplomatic surprise. It is simply potting into treaty. form an understanding which has for some years existed between the govenments of Great Britain and Japan. The purpose of the agreement is check Russian aggression in Asia. While neither Britain nor Japan binds itself to come to the assistance of the other power if either is engaged stone to the leadership of organization. In a single handed contest with Rusof any other country, each power does agree to assist the other if more then one power should join in the hosdiffuse. That is to say, England is he Dound to come to the defense of Japan |. If Russia and China should both be involved in hostilities against that em-

Though there is nothing menacing or discourteous in the terms of the treaty, the publication to the world of the poepoch. this time is regarded by diplomatists as tittle short of an ultimatum. The treaty defines, and its publication serves motice on the world of its definition, regard to Manchuria and Korea. What trary to these declared purposes. The in New Orleans who saw a slave being sold, and said, "If I ever get a Miss Francis Richey of Greenwood publication therefore serves notice on Russia, in a genteel and delicate way. that she must get out of Manchuria or serving by a cry means possible.
