"GALLERY PLAYS!

take the time to consider. They simply drift. Call it "fashionable," no matter what it is, whether a game, an article of attire, or the mode of walking, and you will find its devotees in every city and hamlet in the land. It may be ome time after the city folks have abandoned that the rural 400 will

into the shade. There is a new arrival clamoring for Ping Pong recognition as the latest craze. It's "Ping Pong," kind of parlor lawn tennis. It has been written up and written down and yet holds its own. It's a wonder some of the advanced ones have not introduced it in Andover. to get hold of our amusement loving public, and we prophesy there will be no long winter evenings next winter. . " Ping Pong" parties will i in vogue. The salutation on the street will be, "Have you the 'Ping "Where can I buy 'Ping Pong' liniment?" It's an

innocent and as wholesome a game as can be imagined. There is a class of people who are always playing to the galleries, and looking for notoriety that are sometimes brought up with a short turn. In New York city the other day, Nellie Conley -now Nellie is pretty, and 21, and has a good position 'in a shirt factory, but neither work nor Nellie's mother Mrs. J. A. Shults passed Saturday agreed with her, so she decided to shake the former and scare the latter and Sunday in Alfred.

by a "fake" suicide act. They sent for Nellie's mother, and she came, Mrs. M. J. Gray and son Dorr were in tears and hysterics? Oh, no! She walked coolly up, gave Nellie a in Hornellsville Monday. smart slap on the face, and Nellie instantly came back to earth with a C. D. McCarn came home from grimace and a flood of tears, and if the policeman had not interfered New York Saturday night. lose their significance under his spell. she would have further chastised her. Nearly every parent of sense Mr. and Mrs. W. B. Bundy were This is a historical tale, so far as pe- will say that mother did right. There are some who might follow that Hornellsville guests Thursday. riod, scene, and minor characters are mother's example with profit. A boy or girl who plays to the galleries Mr. and Mrs. J. M. Brundage were better be brought back to their senses. By the way, in Buffalo Thursday and Friday. A Question. where is that curfew ordinance that was promised when Mr. and Mrs. Bert Langworthy

historic episode; Haddon Hall belongs the women got those petitions signed a few years ago? Are they still Alfred were in Andover Saturday. to this day to their descendants, the on the table? or was that old Board of our Village Fathers playing to Joseph Oatley of Canaseraga spent Dukes of Rutland. Queen Elizabeth the galleries? We find the tendency to play to the galleries almost a Sunday in town. He wheeled over. High Priced fad in every department of life. We wonder if those Mr. and Mrs. N. Perkins and son western cattle raisers wern't playing to the galleries were in Wellsville Friday afternoon. rouse the jealousy of Dorothy. In because the cattle had eaten all the grass off the ranges, and must Horseheads are visiting Mrs. Frances short, the lover of the accuracy of be fed on high priced corn? Cattle don't eat the roots of grass Hunt. history in fiction may rest contented when grazing, and possibly this knowledge made Attorney General Mr. and Mrs. Mark Houghtling with the story; but he will probably Knox rather skeptical about that being the cause of the recent advance were in Almond Saturday night and care little for that once he has been in price of beef. Uncle Sam suspects that there is a "beef trust," and Sundaycaught by the spirit and freshness of he is after the Chicago packers. Is it playing to the galleries? Well,

> spent Sunday with their mother, Mrs. time will tell. Meanwhile the people are learning that they can live without meat. So "'tis an ill wind that blows nobody any good." There is a deal of wasted energy in this by-playing that's going It reminds one of an incident that occurred in one of the suband Orange Smith. urbs of Chicago, as reported by the Chicago Tribune. Mr. and Mrs. Valentine Reimann The rude boys of the neighborhood, having learned that of Machias are guests of their daugh-Energy.

there had been a wedding in the lone brick dwelling ter, Mrs. Jesse Hunt. house, went đỡữn to serenade the happy couple with tin horns, cowbells and other musical instruments. After they had played four or five hours the upper window was raised and a night capped head thrust passed at his Andover home. John Baker of Belvidere was visit- forth, and said, "Don't stop if you're having a good time, boys, you aint disturbin' nobody; the young folks that was married here this; Miss Elva Hann was in Wellsville evening are deaf and dumb," and silence reigned supreme.

Now group these and localize the lessons. We might conclude that Andover isn't strictly up-to-date. It doesn't know how to play "Ping Greenwood were guests of Andover T Pong," but playing to the galleries; well- There's friends Wednesday and Thursday. Localized. that "board of trade" and the (?) trust that seems to Mrs. John F. Paine and two children ing on their aunt, Mrs. Mary Cole.
Thomas Swaln of East Hill was a hold the progress of the village in its octupus-like grip. When the are guests of Mrs. Paine's parents, his lines a caller in this place Saturday. public is awakened to the possibilities, they may say the gallery Mr. and Mrs. West, in Friendship. Lary Cole is home to see his broth- plays are wasted energy, and the time is coming when she will awaken. Speed the day and stop playing to the gaileries.
