Mosher @ Backus, AT AMBOARS, M. Y.

WDOVER, N. Y., MAY 21, 1002.

The Decision Against Pie. The students of a coeduca. factitution in Indiana have lately been discussing this important "Russived, that ple is of greater servtoo to mankind than ice cream," and, be it said to their discredit, it was . decided in the negative. This decisa. a. This sense of chivary, as the young that have been and to back, kidneys, liver, bladder and every part the people into their houses, where and are glad we found and used the many datails. The name are glad we found and used the many datails. a.false sense of chivalry, as the young | first skirmish in the fight against ex- with in curing theumatism, pain in the -not the pie trust, but the pie. It |needed no impassioned rhetoric, no flights of cratory, but simply a plain statement of facts in its favor to insure an instant and unanimous verdict for the ple, if the jury in the case possessed the slightest conception o.

the important relations which this, great American dietic staple bears to American civilization. The American ple, and particularly the home made pie, is a synonym for all that is best in our republican institutions. It typifies courage, fortitude, patriotism, good digestion and good cheer. If pie is plentiful, we have peace and prosperity. Its varying comtents tell of the charming seasons or the year, just as its abundance testifies } to the fruitfulness of orchard, garden In this great and fortunate country

the seasons are known by their respective dominant ples. For each there is an appropriate and timely pie, with States government can be successapple pie for all the year round.
