The land can be obtained under condemnation proceedings in accordance with the laws of Virginia, private speculation being thus eliminated. Many reasons are given for the destinctive | walue of the proposed park. The battegic foresight and military planning; the armies engaged were not local, but | national in character; the territory is in the state in which both the opening north and south, and, not least, the It ought not so to be. cost of securing and maintaining the park would be comparatively small. It is urged also that the proposed park would be of great value as a place | for instruction in military maneuvers and for mobilization in time of war in | view of the fact that it could be quick- | ly and easily reached from various large centers of population.

Answer In the Merger Case. As might have been expected, the answer of the defendants in the suit of the federal government in the matter of the northwestern railroad merger is a positive denial of any violation of the Sherman antitrașt law. It is insisted i that the Northern Securities company is simply a plan for the perpetuation of , the present policies of the roads devised by those stockholders who wish to | aged, according to this answer, exactly the spirit that led the men of both wars into action. as before. Stress is laid upon the arg ment that, notwithstanding the merger. competition will still exist from the Canadian Pacific and the roads to the Reflections. south. It is urged that the plan adopted is necessary to protect the interests it ought to be. We will be thrilled for a time. of the roads as links in a great transportation route, both interstate and international, with special reference to the development of trade in the orient.

\_\_\_\_

All this sounds well, though the people of the states through which these, Securities company is essentially a be- complishment of such an enterprise. nevolent institution. They will prefer, at least, to let the supreme court pass roads with those that will exist if both are controlled by the same interests.

of the most sensational modern novel was the closing chapter of the life of Paul Leicester Ford, the author of "The Hon. Peter Stirling" and "Janice ) Meredith," slain by his brother, Mal- monument. MEMORIAL DAY REFLECTIONS.

It's a beautiful custom, and in the exciting, strenuous life of our day, the much, if anything, that Oxford universimilar occasions are all too few. We would call it Memorial not Decoration sity in its present condition can do for Memorial or day, for, if we understand the intent of its founder, the American students, and thinks that flowers put upon the graves or hung in festoons upon the about the only good results to come monuments, were to be the tokens that the sacrifices, the de- to Oxford itself. "More and more, as Decoration votion to country, the chivalrous nature of the departed, were time goes on," says The Review. "It is

tles fought there were the result not not forgotten, but would ever live in memory. And no greater heritage was being realized that the engineer—that of unexpected circumstances, as was ever given to the young men and women of to day. No greater privilege is, the man who does things, the man the battle of Gettysburg, but of stra-than the privilege of honoring the men who so signally honored us in giving ture and who produces results—is the to us a united Republic. Next Friday, with tottering step, leader of advancement and the misbent form, the light fading from the eye, in city, village and sionary of civilization. The student in country hamlet, the "old boys" will honor their dead, as such, the Oxford don, the contem-

and closing battles of the civil war and our dead, too. There comes to the mind of the writer a scene once wit- plative person, is becoming more and nessed in a country church yard. An old veteran. No music to cheer him more remote and being left farther the place is not confined to the events | No great speaker in a great gathering. Alone, he placed, with tender, loving rance of modern things. Today," it | tions with the colonies, the war for touch, a bunch of home-grown flowers on his dead comrades' graves. What continues, "It is doubtful if any young) Independence, the lives of Virginian recollections? What affections? What did it signify? It was the meaning man going to Oxford from the United statesmen; the site is accessible to both of the day livingly demonstrated. We are apt to make it a day of pleasure. States would find the advantages he

The intent of the founder, Gen. John A. Logan, "Black Jack," was to new ideas from newer countries may keep it as a holy day. The writer remembers seeing "Black cause a revolution in the methods of Black Jack. Jack," his long black hair, "eagle eye," manly face; only teaching and the methods of thought e look, but enough to convince the writer, could be speak to his comrades of Oxford itself, and perhaps out of a

" to day, it would be, "Remember the day." For several years the veterans have been strenuously combatting the ten- gendered may come something better dency to convert this day set apart for solemn observances in memory to the than anything that has yet been seen soldier dead into a day of sport and merry-making. All success to them. in educational institutions." They are carrying out the spirit of the first Commander of the G. A. R. Here lies the duty of the younger generation. They should ing that the shipping business has bebe among the most zealous in demanding that its significance come unprofitable, the beef trust as-

hall not be obscured by the noisy demonstrations of pleasure seekers. We must not forget in our memories the boys of the Spanish war. How at a loss and the coal companies fitting it was for the Colonial Dames of America to put up that dignified and imposing marble shaft forty four feet high further relief funds would be in order.

in the Arlington cemetery. It was unveiled by Fresident; Spanish War. Roosevelt the other day, and was to honor the dead of the prevent any departure therefrom, Each Spanish war. All these go to make us have a higher appreciation of sacricompany, the Great Northern and the fices, of love for country, and every year we need to know more and more of

In these reflections, sitting in the twilight, some strange thoughts flit thru the writer's mind. Friday there will be a parade. The graves will be decorated. We will stand in silence as we re-"member the "unknown dead." The oration will be all .

Men and women of the G. A. R., shall it rest there? Why not a sol-1 diers' monument on some conspicuous spot in our village, with its shaft point-A Soldiers' ing upward, and its sides telling in indellible stone of the men whom some of the younger men never knew? Why not? was the thought that flitted thru the writer's brain. Monument. roads pass are not likely to be brought | The money spent Friday might be a nucleus for such a monument. The to the conclusion that the Northern same spirit that carried the boys thru the years of wars would mean the ac-

Launeh it out! Do it now! Who will be the leader? We are sure upon the reasonableness of the defend- every man, woman and child would help, and next Memorial day we will have ants' contention and the plausibility of a monument that will be a silent reminder of the days of long ago, and an reconciling the methods of competing inspiration to future generations. All this and more can and will be brought to pass when we let our dreams lead us into the world of action.

All honor to the soldiers. May the golden sun that is setting upon their A tragedy more frightful than that lives bring to them a sweetness of thought, a peace that comes from the thoughts of duty well done. Here we doff our hats in sacred memory to the departed, and wish for many years of life for Sunset. the "old veterans" that still remain. But do not forget that idea about a Quien Sabe.
