"ECONOMY SHOE STORE." 'S NICHOLSON & WIRT, Hornellsville, N. Y'

THE DIFFERENCES IN PEOPLE.

An editorial appeared in a leading daily paper not long ago with the caption as above, that contained a number of good suggestions. Reflection leads us to know that some men fret and fume over the small Large People. est, of trifles, have no time to move in society, no time to be here with an interesting program i meeting, ordered 50 much-needed new polite to their wives. While other people manage large business enterprises the evening. burners for our street lamps, and will without turning a hair, always careful and considerate, and always find time use the mantle lights like that in to be gentle and courteous, people who are built upon a large plan, who think her home in Mauch Chunk after a few front of the City Hall in all lights in large ideas, usually such people are the push and life of a community.

We were interested in an article on village patriotism in a recent issue; nellsville were the gueste of Mr. and lamp brackets to take the place of but if we may suggest, it's "community spirit" and not village patriotism. Mrs. R. Howland last week. Here lies the difference. A village patriot may be narrow Miss Elva Hann was in Belmont and still think he is wide in thought and action. But com- Monday and Tuesday. munity spirit is an identity of interests, a common owner- Mr. and Mrs. E. F. Stearns and child-In a private letter from Henry v. ship, people of large conception, that forget the faults and failing in a com-

munity, and because of a large vision, know the one thing that is necessary to cises Friday night. a "community interest" that works for the uplift of the whole body. But then let us be practical. To succeed, a code of honor should exist. town Sunday. It exists among street urchins, and should reach higher up. Here's an illus

tration. Do a "feller" when he's been done? "Not on in Wellsville Friday. your life" is the creed of the average urchin. If there's one J. L. Williams of Andover was in thing the "newsies" of a large city hate it's the Italian push this place on business Saturday. New York store. I am very much cart vender, and they never lose a chance to "do" him while he is on his W. A Howland and son, George, of delighted with my new work, and I feet and can fight his own battles, but when he's down! The other day a Alma passed Sunday in this place. think the change will do me good." | wagon dashed around the corner, struck a vender's cart and sent his apples | Jacob Hann and wife spent Saturand bananas flying in all directions. With a whoop, a hundred little "imps" day and Sunday in Standards, the The man who expects to get up were on the scene; to steal? No, sir. They helped that unfortunate vender guests of their son, Wilson Hann. some morning and find his village en- to replace his load, with a warm hearted sympathy that would have warmed a joying a boom which has in some cold blooded cynic. In a lew moments they were back yelling "wuxtra,"

mysterious way come in the night, but with a clear conscience of not having "done a feller when he was down." There's honor. That's what community spirit means—honor ment. The boom—all the boom we Honor's Part. put into practical life; but then, you know people are differcan't come at a single bound. Times ent, and perhaps the difference may be in their honor-which fights, helps,

In a New York court the other day the full meaning of "come seben," we ought to be thankful, and pitch in "come eleben" was explained to the supreme court during a trial for the reand do what we can to improve the Enlightening covery of several thousand dollars alleged to have been lost by a man playing craps. The court wasn't quite clear about the modus operandi of the game, so one of the lawyers volown condition. Laying back on one's own dice. The person who throws bets with another person. If the first throw is seven or eleven, then the person who throws wins. If the first throw is three seven or eleven, then the person who throws wins. If the first throw is three seven or eleven, then the person who throws wins. If the first throw is three seven or eleven, then the person who throws wins. If the first throw is three seven or eleven, then the person who throws wins. oars and knocking about your own seven or eleven, then the person who throws wins. If the first throw is three town is the very worst thing you can or two or twelve, the person so throwing the dice loses and the person with do for yourself or your neighbors. Always speak a good word for An- whom he bets wins." "Oh," said the Court, and the trial went on.

Here again is the difference in people taking wide chances. The man who follows that chance work never reaches the highest point.

The Muslin of success. He is usually a failure—a happy go lucky, always deploring his fate, fret and fume, when a good fight would mean success. Surely the difference is marked, and this difference may retard, or be | is in full blast. Hundreds of women have been
