number among its business places several well-conducted manufacturing

It was manufacturing that made and kept New England rich, altho her climate the most forbidding. It was manufacturing that brought to the British vaults a great proportion of their gold. It was manufacturing that made Pittsburg, Newark, Minnethe same thing that to-day is creating (a new South, bringing money and been groveling in poverty for the last thalf century. It is the same spirit of industrial activity, levying tribute on the outside world that has marked the trend of the investment of capital in hundreds of villages in New York, and there is no reason why Andover (should not do the same, and keep ir the front vanguard of the thriving

villages of Western New York. With the spirit that pervaded the meeting last Monday evening kept actively kindled, together with the unsurpassed advantages Andover has over any other place in Western New York, a long time will not lapse before the factory whistle will be one of the pleasant sounds meeting the ears of our people. The people of Andover surely are not dead. They We pose of improving and enlarging have only been taking a nap, out of which thoroly aroused Andover will take a boom that will astonish some of our more conservative citizens.

CANNONS' STORE NEWS.

The careless people make the Trainor's, or call up Rev. Chas

W. L. Douglas makes more men's shoes than any other two manufacturers in the world. The reason for it is plain. The Douglas shoe is in every way the best man's shoe made. They wear longer and feel better, besides they possess more style than any other shoe at the price. We have a large new stock of the swellest

styles. The prices are \$3 and \$3.50. The Walkover Shoe needs no introduction in Andover. We've sold them for several years and they have won their way strictly upon their merits. No better is made at any price. You'll pay \$5 for some makes but the Walkover at \$3.50

and \$4 have no superiors. Our "Crown line" of Men's shoes, at \$2.50, include the Velour Calf, Vici Kid and Patent Leathers. They are stylish

The Arion and King Cordovan at \$2 are shoes that many retailers get \$2.50 But we're bound that our \$2 line struction, and come only to the night | shall excel all others in value—the profit is small—but they are business bringers.

Women's Shoes.

We've sold John Kelly's shoes for over ten years and the trade on them keeps on increasing all the time. [They possess many features of excellence. For service they are way ahead of any women's shoe built. They hold their shape and do not stretch all out. In style no shoe can compare with them, while for ease and comfort ask any wearer of Kelly's if she has ever had a shoe that felt as good. The prices are \$3 for the hand turned and Goodyear welts, \$2.50 for the

The "M & G" at \$2 is a beautiful shoe. —a fitting "next best" for the Kelly line. We have never sold so satisfactory a shoe at the price. We always guarantee them and they cause us no trouble. Something we cannot say of all \$2 shoes, We have a great assortment of them including the very wide lasts—the fat ankle and Common sense, the mannish heavysoled and the pretty hand turned imitation. Some of the advance styles for fall are already here.

25° REDUCTION.

To-day we make a sweeping reduction in prices of Summer fairs with God? The Mission affords goods. Usually we have a reduction sale along in August, but this The past and to make a new start in year on account of unseasonable Weather, we see the store overstocked for this season of the year with warm weather goods. We put the knife into them NOW-just when you need them-and we expect to see the summer stocks go quickly. Think of it! All Summer make such arrangements in one's life | Wash Goods, Shirt Waists and Dressing Sacques at ONE FOURTH be lasting. A Mission is not a pass- 3 OFF. The choice is better to-day than to-morrow-so don't delay.
