WHAT SHALL THE ANSWER BE?

The fact is that a community is largely dependent for its success and adancement upon the action of the people within its confines. The answer to questions that arise are the things that tell the spirit of the The Fact. body as a whole. Communities, like the individual, have patcher's orders, which are generally of Lenox and Stockbridge, in the Berk- certain times which may be termed crisises. How the crisis is met at once transmitted by telephone. An instance shire hills—all these things are bound determines the mind and temperament of the people. Was it Shakespeare is cited in the case of a collision on the to have their effect in forcing the own- who said, "There is a time in the affairs of men, which taken at its flood, way at Hanson, Mass., where the fact both the law and the courtesy of the carries them to success"? So it is with the village. Is it not time that, so far as Andover is concerned, this is the hour?

The question, or rather, one of them, is, How about the new school The way the answer is given will determine whether the spirit of a forward movement is to help the element or retard the progress that rightfully belongs to to village. There ought to be no hesitancy or doubt as to the answer given. That the new building is needed no one denies. That it will advance the material interest and prosperity of the whole village, every intelligent and thoughtful at- siding in Connecticut, has taken upon person has already decided. That to hinder the enterprise, so that it cannot motormen nor the dispatcher was real himself the rather arduous task of re- reach the full completion, will be a sad and grave error. This being so, there ay at fault, but that the accident re- deeming the Holy Land from the Mo- ought to be so emphatic and general response at the meeting to decide the

The answer also to the men and women in whom the most implicit con, fidence has been placed heretofore, "The School Board." What answer The Beard is shall we give them? They have done as good work as can is one of the good things you cern in WESTERN be done. The noble women have stood against the drift of may have if you take the NEW YORK. Can new and improved system of signaling cars. It is said that one of the first steps to be taken will involve either steps to be taken will be an emphatic Yes by a return of those whose steps to be taken will be an emphatic Yes by a return of those whose steps to be taken will be an emphatic Yes by a return of those whose steps to be taken will be an emphatic Yes by a return of those whose steps to be taken will be an emphatic Yes by a return of those whose steps to be taken will be an emphatic Yes by a return of those whose steps to be taken will be an emphatic Yes by a return of those whose steps to be taken will be an emphatic Yes by a return of those whose steps to be a step the Hold Land, creating a republic by terms expire. Much more can be accomplished by continuing those who get it. We have a stock of get an article of and for Christians, in honor of Christian. and for Christians, in honor of Christ." have a knowledge of the conditions than by swapping horses in the middle of beautiful pianos and organs
