CALL OR ADDRESS Andover, New York.

By Charles Austin Bales.

John Wanamaker has said 1 "To discontinue an advertisement is like taking down your sign." That is just the idea. You have a sign above your door to let people know

multiplies your sign. It lets thousand of people know what you have to sell. figure on the number of people likely to see your announcement in the paper, the proportion of possible customers among that number, and what you can afford to pay for each dollar's worth of new business. That will give you the size of the ad. you ought to use. Then make

The amount to be spent for advertising must be determined by the percentage of profits and the percentage of possible customers. It doesn't pay to buy advertising blindly, no matter how good it is. If you are selling \$1,000 a week at a Further information from any Erie gross profit of twenty-five per cent. and can increase the sales to \$1,250 at a cost aug18 of \$50 for advertising, you are a clear \$12.50 ahead. Rent and clerk hire, light

and heat and interest all go on just the same, whether you sell \$1,000 or \$1,250. It is advertising that brings in the money to pay all the other expenses. Advertising is business

Advertising what you haven't got or what you don't do is worse than not advertising at all. You can't be too careful about this. Make your ads. strictly true in letter and in spirit. believe that the majority of business men do his now, but as it is the most important thing about advertising, it will bear repeating and When merchants and laymen come to consider

advertising in its legitimate character of "business news," it will pay better—pay the advertiser better and the advertisee, too

"Is does not juy to buy advertising blindly. no matter how good it is."
