"ECONOMY SHOE STORE." NICHOLSON & WIRT, Hornellsville, N. Y

ONCE UPON A TIME.

Once upon a time. Thus the stories of our childhood fancies often commenced their ruminations thru the corridors of the brain, and alas they never Ghildhood reached beyond the stage of incipiency, and were lost in the busy, active goaheadiness of play or other pursuits; and after all it was only a prophecy of what was to be for us often all thru the journey. So much is summed up in the words that contain a volume

The editor is apt to blue pencil this article should the writer continue th J. D. Cheesman of Andover attend-strain of soberness ponderous in its weight and rambling in its thought However, the privilege belongs to the author to say once upor The Autograt. a time it was not so. But in these days, when terseness desired and a writer is expected to tell in six sentences the story of a life time, the blue pencil becomes the sword of Damocles to a ready writer.

How many there are who, looking back to the days agone, find the time. of their activity is passed, and must give way to the stronger and more active The Days of one who can meet the demands of the time. Even so in politics (and how strange that the game fascinates beyond any other). The younger men, clean, sharp-sighted, and withal careful and conservative, have gotten control of the organization and have proven themselves to be the worthy successors of former leaders. The political leaders are cleaner, sharper and quicker witted to-day than ever. It's the young man's day in politics, and the erstwhile leaders can say no such tricks are permitted now that "once upon a time" we were permitted to day, Aug. 20th, the Erie to Buffalo follow. The manly act of straight, organized political moves is a thing to be commended, and gracefully and with tact the other ones should help push, A Missouri clergyman is spending his and the Detroit & Bunaio Line's new for it will not be many years before some of the leaders of to-day will be may. have if you take the NEW YORK.
