## By Charles Austin Bates,

A great many merchants cut down their advertising in the Summer

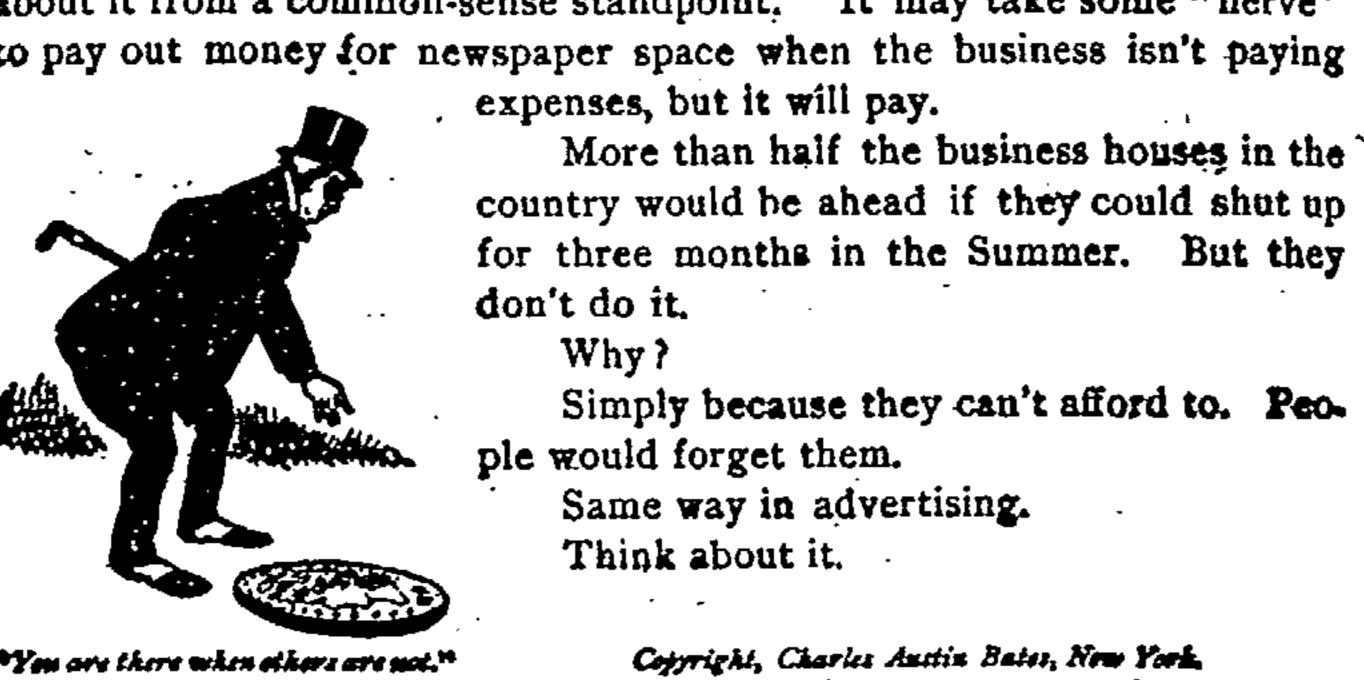

In everyday life, when a thing is hard to do, it only calls forth crowbar isn't long enough he gets something longer. He doesn't give up—because the stone has got to be moved.

Same way in business. Trade is a stone. The funny thing is that .. R., and Major U. K. Leach will be the lighter it gets the harder it is to move. It can be moved, though, present and speak. Male quartet will You may have to have the lever lengthened. Certainly you ought not to shorten it. The best business lever is advertisingcursion will leave Andover at 8:27 newspaper advertising is the

> longest lever and the quick-Dull times are the times "The best business lover is advertising,"

put forth the greatest effort and the most money. People don't usually ask for what they have already. Advertising is merely asking for trade. When the store is full every day, cut down your space. When trade is slack increase your Thomas' Electric Oil in the medicine space. Don't expect that you will get a big trade in dull times, but keep count and you will find that the advertising is profitable. Profitable right at the time and enormously profitable after awhile. The very fact that only a few merchants are wise enough to advertise in dull seasons makes it all the more profitable for those who do. You are there when others are not. It gives you greater prominence. It will make your

advertising in busy times much more effective. Common sense has a great deal to do with advertising. Think about it from a common-sense standpoint. It may take some "nerve" to pay out money for newspaper space when the business isn't paying expenses, but it will pay.

est to move trade.

Simply because they can't afford to. Peo. e would forget them. Same way in advertising. Think about it.
