THE OTHER SIDE OF THE STREET.

The sun is always brighter on the other side of the street until one reaches Jesse S. Phillips and Ed. Kinney of 1. that, and then, alas! it is always the same sun shining for one purpose. The Andover were in this place last week man who rides a bicycle has the same experiences: the road over the way seemingly has less stones until one tries it, and the stones are there as on the former side. Well, it's a part of life to think other sides are better; but why should we not ! Miss Carrie Leonard has returned be content with what we have and labor to improve and to her home in Mauch Chunk, after a better our own side of the street? Envy is the root of despair, the mother of laziness and the father of failure. Our side of the street is where we live, whether you call it a street in village, city or what. The true philosophy of life is to use the conditions about us to better our own position and leave

something for the fellow that will follow. There are the spitters. It seems all are willing they should go on the other side, and "Anti-spitter" hit the nail when he (or she) dubbed them thick skinned. There is a thing that can be remedied—and will be. There is no reason because a man wears his trous. ers in his bootleg that he can pre-empt the whole walk with the saliva made copper color by —? The women have a right to clean walks. How much of disease has been gathered by microbes in trailing skirts we leave for the scientist to describe. By

## New Silks and Velvets.

In Ladies' Dress and Waist materials every indication points to a very decided velvet season this year. We have just received from one of the largest silk and velvet houses in the country a few very desirable patterns in silks and velvets for waists and suits. Come in and look them over.

### Shirt Waist Patterns.

A handsome assortment of Shirt Waist Patterns are also among recent arrivals. No two alike and all desirable patterns. They are selling rapidly. Better see them while the assortment is complete.

# ladies' Dress

We wish to call particular attention to the Ladies' Dress Skirts we are displaying in one of our show windows. Examine the Skirts and prices and compare them with others.
