A word again to the spitters. How easy it is to forget. A walk down Main street last Saturday night, when the spitters were out in force, would lead one to believe that the whole matter had been forgotten. SPITTERS AND There is a spotless town, it is Broeck, in the north of Holand on to Bolivar. Two teams of horses were attached to the car.

At this point the Pennsylvania Rail
Dear Sir: Ira Gould, a painter in be kept at the front door of each house. We have no ordinates is that a cuspidor at each corner or better still got.

SPOTLESS TOWN, land. One of the village ordinances is that a cuspidor shall. be kept at the front door of each house. We have no ordinates are not better still got.

road had thrown out the two stub gallons of paint, thinned it down with after the spitters. It would at least mean clean streets and clean skirts. There is that paper nuisance. A little care would relieve the streets of the obnoxious spectacle of the floating scraps that are driven into every corner by the racing winds. It's only a small matter, but it's PAPER NUISANCE, the trifle that makes the many, and a clean street and front

door yard is a credit to any place. And what a change it will all make. How we can gather together was flaged and ordered to stand on but the painter thought it did. We around the table and tell of what was and had been. We are so constituted that we like to talk of what we have accomplished. May load of workmen could be brought house didn't need painting. A prim- A LITTLE TALK, the above be some of the accomplishments that shall be the

burden of our talk when we shall have finished it. And just once more. Why doesn't the Business Men's Association get to the crossing on the main highway. But if Ira Gould had set out to do after the Erie and cause them to remove the unsightly rubbish around the depot and fill up the hole? Somebody ought to undertake GET AFTER 'EM. it, or "Old Reliable" may be ten years, and wait for the snow to remove the rubbish that is offensive to æsthetic taste.

How many ping pong parties are being planned for during the long after being delayed nearly an hour. with one, and that half oil! No, evenings to come? Why not learn the game and have a ping-pong tournament? That would be an innocent amusement and free from the associations that some other games bring with

them. There will be table talk over the matter. Better, lowever, it will be if all of the new suggestions be carried out may the courage of the Puritans give some mind determination and right arm power to bring something to pass.
