TOWN TALK.

quantity of talk to set forth the advantages or disadvantages of the object before people, which it is desired to accome A commercial traveler may be sent out by a house ller and its merits brought to public light: So it may be with a are they to be except by talk? This talk is what makes and holds a town in

It is true that perhaps one of the features of life in a rural village is that at life is lived too much within itself. Every citizen interested in the general welfare needs to know that the one element of advance moral advancement. Here are the advantages. Such as ----were never placed in a circumscribed district before they

standard. This amount is considera. have you brought the soldier here have gone to waste. The inhabitants thereof have been living upon themselves until a standstill has come. The vision has been shortened and the Order outlook lessened because of the fact that the very conditions that go to make Ahead for prosperity have been lost sight of in the tendency to find obstacles and talk down the natural gifts that should be used for an onward march.

> The talk on the streets makes or unmakes many a man. The life social pushed by the talk of the few seeking their end, whether that end be for the welfare of others or of themselves. Talk clean streets, talk WHAT STREET more and better lights, and soon public opinion is formed, TALK DOES. and that public opinion becomes the force which sets in motion the wheels to bring about desired results. This is illustrated by the difficulties over the coal strike (of which we have so little prac-

tical knowledge). The eoal barons refused to move an inch until cold yards, docks, supplies, the marine Then, spreading the cards before weather aroused an indignant public and the demand caused action, which the newspapers say have brought about a close of the strike. This is also true or may be true in active affairs. Let a public conscience be aroused (and nowhere can we find a truer righteous conscience than

in "Old Allegany") against any evil or conditions and you AROUSED PUBLIC have driven, before the first blow is struck, the object of your indignation to cover. Talk does it. Town talk for the changing of slow conditions means a revival of life and the tions will then be completed—is strik- Matthew, Mark, Luke and John. When pushing forward of any desirable public enterprise. Public opinion arrayed ing. The comparison is made only in I see the 5, it reminds me of the five against the old changes it into the new and brings about pleasant and agreeabattleships and cruisers. In that year wise virgins that trimmed their lamps. ble changes. Talk your town up. Talk up the new school house. If the Great Britain, it is estimated, will have There were 10, but five were wise, and matter is taken up as a business proposition it need not be a burden to any armored); France, 32 battleships and five were foolish, and were shut out. one. To start talk that makes the man that is under be compelled to stand 28 cruisers (23 armored); Russia, 25 When I see the 6 it reminds me that in and pay all of an assessment in one lump, is not a true example of civic when you would most enjoy battleships and 13 cruisers (5 armored), six days the Lord made heaven and righteousness. If the law is wrong talk down the law. But the bulwark of a fine Piano or Organ in your and the United States, 20 battleships earth. When I see the 7, it reminds me safety is to be law-abiding, and talk the law as the law stands, and if the ser- home. Why not get one? vants of the law obey the law as it stands, then make the public opinion We can make terms a n favorable to the servant who obeys.

There can't be progress or prosperity without it. It's true, all the earnequal in proportion as to armor and sons that were saved when God de- ings of a life time are placed within the borders of a town. The interest of the owner is to talk up that town. Every word of praise, 1 we have not kept up with other na- wife, his three sons and their wives. THAT TOWN YOU every dollar invested for its improvement places his invest ment on Sunny street, and the investor, by so talking, makes matter over not only himself but each other one a party that helps him Italian, less than three-fifths the size Saviour. There were nine out of ten further his own purpose; or, in other words, "feather his own nest." It's a p of ours, 58,000, and the German 60. that never returned thanks. When I fact. We take color from the town we live in. We are what the town is. he town is what we make it, and our making is thru town talk.

Just as the merchant attracts customers to his store thru advertising, or convinces you the goods he is showing you is the desired article, so the citizen makes his town. Decrying every public enterprise will even to take proper care of them. Sec. Almighty. When I see the Queen, it THE TALK THAT not accomplish a forward move. The pushing forward of retary Moody thus emphasizes the dis. reminds me of the Queen of Sheba, ATTRACTS. the advantages and talking them will win respect of the citizen and the visitor alike. So that when the time comes for not making any estimate for new fight- wise a woman as he was a man. She well-lighted streets and graded walks, the town shakes off its old garments of brought with her 50 boys and 50 girls, boyhood and lives the new life that opens thru righteous public opinion by

> The spitter ought to hear some of that talk, until by an aroused indignant itizenship he is crowded off the walk into the gutter, or at least that's where the spit ought to be. Then where is that "fire alarm?" | SPITTERS AND The Hose Company is being reorganized, rooms fit for any FIRE ALARM. body of men are being fitted up. Now a "fire alarm" to call the boys to the fire. It may be it will save the dwelling of the very citizen who may object. How get it? Talk it. Make the necessity of it town talk, and the boys will soon have it.

Then talk up the town. Make the town you live in the best town on the . When the talkers will talk up clean streets, more lights, pure water, fire alarm, then we will have them. But do you know even now the adjoining villages are envious of And. TALK UP. over's prosperity. Already men are talking of taking up their residence in our village. Each new comer becomes a tax payer or a heiper. And talk will bring them. Andover's town talk will be town talk for Andover. The result will be plainly evident.
