unning from Quebec to Port Simpson, 'it must be completed in 1911, but the projectors assert that it will be muisued in 1907. The distance is 2,880 miles and | are here. So am I with goods project, and work has been going on, for the first 380 miles since January,

Canada's New Pacific Line,

It is not unimportant to this country

that Canada is to have another trans.

continental railroad, a subsidized li.

While the road will parallel the Canadian Pacific, it will be 280 miles farther north. Over half the territory, through which the road will run is said to be practically a level plateau. The engineers assert that the average grade them at 5c, 10c, 15c, 20c + which would enable the engines to pull and 25c. Mica chimneys 4 about twice as much as those on any 1 other line across the continent. The road will be 248 miles shorter to the Pa-L cific coast than is the Canadian Pa cific and will save, according to the

engineers, 722 miles in going from Quebec to Yokohama. ment appears to be in the fact that

with this line in operation Britain could put troops in Manchuria four days earlier than Russia could a them from Moscow. This apparently does not allow for improvements on the Siberian railway, which are certain to be made in time. Britain would be able, according to the engineers, to send troops to China or India by this new-line-three weeks sooner than by the Suez canal, but if that is correct Britain could save considerable time pow by using the Canadian Pacific rail-

Whether or not such a line would pay is a matter that concerns British and 2 9A.M.to12M. 1P.M.to5:30P.M. Canadian inventors, who are apparently willing to put their money into it. Our concern in it lies in the fact that it will furnish another and competing line for transcontinental traffic which may be of value to the people of the United States as a oheck against the tendency to increase traffic rates by the merger of hitherto rival and coml peting American transcontinental lines.

> Monarchial Europe is threatened by La danger more serious than would first appear to the casual observer. This is an overproduction of princesses of the royal blood, which is particularly true of Russia and Italy, where the Salic 🕽 law prevails, making daughters of royalty ineligible to the throne.

The Russian people have long nour-Ished against the czarina what is practically a grievance simply because that new line of Christmas candy, unfortunate lady has failed to give an celery. Malaga grapes, dates, if the throne, and it has been from figs, cranberries, oranges and time to time intimated that the czar might be compelled to either abdicate or divorce his present wife and take another because all of his children are girls. He has three of them,

When the queen of Italy in June, 1901, became the mother of a daughter, the Italian press and people did not bide their disappointment. This feeling is now intensified, by the recent birth of another girl to Italy's royal

Besides the trouble they cause in the matter of succession by reason of the fact that they are not boys, the matrimonial outlook for these daughters of royalty is rather dubleus and will add We'll make your suit as well as to the embarrassment of royal matchever we can. Christmas Gladness. BIRAM D. BACON.

There is sorrow in the air, Sin and sadness everywhere; In the sad and sunken faces Staring at us from foul places, In the homes which hunger's haunting, Where poverty her rags is flaunting. There is sadness in the air. Sin and sorrow everywhere.

Cruel sorrow, somber sadness: Christian! send the Christmas gladness? There is music in the air. Joy and gladness everywhere, In the sleigh-bell's jolly jingle. In the life-blood's lively tingle. In the young lad's lusty yell,

In the peating Christmas bell, There is music in the air. toy and gladness everywhere. Christmas music, Christmas gladness, Christmas is no time for sadness! Christian! send the Christmas gladuese Into every heart of sadness. Into homes which hunger's haunting, Where poverty her rags is figurating, Into sad and sunken faces,

into foul and loathsome places, ound the music on the air, Send the gladness everywhere: Christmas music, Christmas gladness, Christ was born for sin and sadnessal
