### Coughing

"I was given up to die of quick consumption. I then began to use Ayer's Cherry Pectoral. It improved at once and am now in perfect health."—Chas. E. Haman, Gibbstown, N. Y.

It's too risky, playing with your cough. The first thing you know it will be down deep in your lungs and the play will be over. Begin early with Ayer's Cherry Pectoral and stop the cough.

Three sizes: 25c, 50c, \$1. All druggists.

Consult your doctor. If he says take it, then do as he says. If he tells you not to take it, then don't take it. He knows. Leave it with him. We are willing.

### Sick

Headaches and Dizzy Spells, Weak, Nervous, Wretched, Tired, Until Dr. Miles' Nervine Cured Me.

Are you in a "poor condition"? Are you almost ready to give up from exhaustion, nervousness, headaches, backaches, dizzy spells? No need to mention the details of a run down or "poor condition" to those who are suffering. Write to tell you of Nervine. It is a sure cure and a guarantee to help you, and restore your poor weakened system to its normal health.

"Dr. Miles' Restorative Nervine has done for me what no other medicine could. I was in a very poor condition. I had nervousness, dizzy spells, and sick headaches. I made six months miserable. I had the care of our local physician for some time, but got no better. I was on the verge of giving up. I had no hope left. I saw your advertisement and I grew worse. I bought a bottle of your Nervine. I took it and my symptoms disappeared. I feel like a new man. I am glad to see that you are doing so well. I will be glad to call on you if you are in my neighborhood."

Restorative Nervine is a blood-purifying and tonic.

### Good Tasting Medicine

Cod liver oil is in universal repute as the best body builder in wasting diseases, and the best reconstructer in recovery from severe sickness known to medicine.

Nevertheless, three-fourths of the people are really made sick by the taste and smell of cod liver oil. Half of them can't take it. Their stomachs either reject it, or are so upset by it that the dose does more harm than good.

Vimol is the only preparation of cod liver oil which contains no grease or bad taste yet does contain all the virtue of cod liver oil, and is deliciously palatable. It also contains organic iron. Iron gives quality to the blood. Almost every ailing person needs it.

The combination of these two elements with table wine is both scientific and effective. It has accomplished wonderful things. Right here in our neighborhood we are doing it to every one who calls on us.
