CLOTHING

If you are thinking of buying a WINTER SUIT or OVERCOAT this fall visit our clothing rooms. They were never so heavily loaded with up to-date clothing as at the present time. A good assortment from which to choose is most desirable in selecting a suit or coat. We have clothing from several manufacturers. Each line has a distinct style about it not found in the others. We have never sold cloth--ing-that-gave better_satisfaction_ than the Cooper Clothing. It has a reputation for RELIABILITY. It is honestly made. Not made merely to see but to WEAR and HOLD ITS SHAPE. Made by thoroly competent tailors who know how to give garment a distinctly "dressy" appearance. Upon wearing a Cooper suit or top coat you have the saisfaction of knowing that it's "right" in style and general appearance. That's worth

something. Mitchell Worsted Suits are known thruout the whole country for their unexcelled wearing qualities. We have a fine line of them. We are confident that our fall showing of Men and Boys' fine tailored clothing will please you and we know
