successful operation of his proposed many hours -to -convince -him-that Andover was a very desirable location but the association was slow to even think it possible to undertake the fulfilment of the requirements necessary to bring him to Andover. \$14.000 in steck in his company must be sold. With the assistance of Mr. Rundell himself, the matter was at last thought worthy of the trial. With the distinct agreement that the Association should send a committee to Watkins to investigate the property and business conducted by Mr. Rundell, the stock was placed on the market and sold! Within two weeks enough stock was disposed of to satisfyall that it would be safe to investigate the matter thoroly and draw up a contract with them. E. J. Atwood
