Panama Route is Preferred. The Nicaragua Plan Means Long Delay-Young

providing for the isthmian canal Drovision for an alternative route. The law directs the construction of a canal by the Nicaragua if negotiations fai for the Panama route. A canal is assured, no matter what happens to the treaty now pending in the senate. This fact is of great satisfaction to those who are earnestly in favor of a canal. While at present it seems a foregone conclusion that the Panama treaty will the Spooner canal act, "and that

Those who really favor the Nicaragua route are going to support the treaty and the building of the canal at Panama because they believe that when the treaty is ratified the president will make all speed toward completing the work. To defeat the Panama treaty and compel negotiations with Nicaraly for life and soon the stairways were soil by day and studies the stars by gua and Costa Rico would mean a depiled with dead and dying. No words night, for many years was a local lay of months and perhaps years. This is the great factor in the situation no and is what will ratify the treaty. nation paint a picture vivid enough to and told his neighbors when to plant heard a very prominent member of the committee on foreign relations say that a treaty for a canal at Nice senate. If this opinion is general if I another reason why there is such great! pressure to ratify the Panama treaty. Views of a Virginian.

Representative Swanson of Virginia believes that the time is coming when there will be a closer union of the two. great Anglo-Saxon nations: that the United States and England will be al lies against the world. Unlike some statesmen, he thinks that such alliance would be for the benefit of both no tions. He maintains that as long as England is the best customer of the United States it is to our interest be on the most friendly terms with that country and that in the nature order of events England will depend upon this country to keep her great

empire from crumbling. This kind of talk would not have been very popular News tells more of Andover's work' ross violations in village ordinances and in general business ends in 1904, a few years ago, and while statesmen permitted that endanger health and and by reason of protective tariff this may have had those thoughts they did than most folks could realize. not express them freely. Popular Stamps

When in Buffair Lunchin Our Basement Restaurant

Barnes & Bancroft established Wholesale Stocks a wholesale business. From a small beginning it was continued under Barnes, Hengerer & Co., and still retained as part of the William Hengerer Co.'s store until New Years, 1904. Now, owing to our vastly increased retail business to which we will devote all our attention, both here and in the new Hengerer store now building, we are going to close out our entire wholesale stocks.

This great trade event includes every department in the store, all the way Clearance from basement to roof—goods have been marked at half and less than half the usual prices —this is an economy chance that appeals to every household—bargains that have never been equaled.

Delivered to All purchases amounting to \$5.00 or more we will deliver free to any address within one hundred and fifty miles of Buf-Your Home falo. In writing, mention this paper.

Trading We give the popular "S. & H." Green Trading Stamps with all cash purchases. If you send a postal, we'll send you a little folder Stamps that will explain our estimating contest for Green Trading Stamp collectors, and tell you how we are going to GIVE AWAY \$10,000.00 IN GOLD -ABSOLUTELY FREE to those who redeem their stamp books here.

Our mail order department is fully prepared to supply all your wants for wear and for the home. Shopping by mail with this store may be Orders accomplished promptly and satisfactorily.
