Nearly every merchant tells you that he has "everything" that's in the height of Tashion-"everything" that's new and de. sirable.

But that's more than we claim. And we positively have the largest and best stock of millinery in the city.

No one dealer can have everything. No L one dealer can have all the best bargains. No one dealer can corner the market.

We buy in large quantities for cost. We have the most competent buyers. We sell at uniformly low prices. It is rarely the case that any other dealer can duplicate any of our bargains. But sometimes we can.
