# People of Andover and Vicinity

### Jamestown, N. Y., Mar. 1, 1904.

Having noticed in THE ANDOVER NEWS, issue-of Feb. 26, '04, the following & ad: "House to rent—Also full rate certificate in Golden Seal—Price \$.50, O. § E. Vars," I thought it might please our friends in Andover to know why our 😢 esteemed friend wishes to sell his certificate in the Golden Seal, and for that 🕺 reason we are addressing this letter to you.

A short time ago we were in receipt of a letter from our friend, Mr. Vars, 🕏 stating that he wanted to have his wife Local Secretary, for our camp at And. 🤋 💰 over, and if we would appoint her as such he would keep his certificate and 🖇 his wife would join and he would use all of his influence for our Order. He 🐉 , also claimed that if she was not appointed he would use all of his influence 🐉 against us, and that he would break up the Order at your city.

I wish to ask you, dear reader, if you think our camp at your city can run  $_{ extcolored}$  without appointing our friend's wife as Secretary or without our giving our consent to letting our business be run by a person who does not seem to know the 🐉 meaning of Fraternity?

The definition of Fraternity as we understand it is, "Do unto others as you 🐒 would like to be done by."

It does not seem as though a person of the feeling of our friend would be 🐉 a very valuable member to a Fraternal Order that ranks as high in Fraternal <sup>y</sup>  $_{ ilde{e}}$  Circles as the Golden Seal. It seems to be more a matter of dollars and cents,  $^{arkappa}$ than fraternity and good to the Order, with our friend.

I have the original copy of this letter to us from Mr. Vars and would be 🐉 pleased to send it to any of our friends who are members of the Order of the Golden Seal.

We remain,

Yours fraternally,

ORDER OF THE GOLDEN SEAL.

Another matter has been called to our attention, and we publish the facts in regard to this matter.

lt seems that a report has been circulated in Andover as well as different towns in Allegany 🔌 , Co. that Mr. Geo. F. Stanton, a member of Elmira Camp No. 29, and holding certificate No. Y 3312, had a claim against our Order for disability and we refused to pay the same. The statez ments are false. Mr. Stanton's claim was mailed at Elmira on January 23, and check was 🐉 mailed Mr. Stanton on January 24, and we have a receipt signed for the same by Mr. Stanton on 🐉 , January 26. This looks to me like a very prompt payment and I think that all of our friends 🐉 will agree with me. We would be pleased to show any of our members the receipt.

Oh! say, perhaps it would be well to state at this time, that we will pay any person \$1,000 🦠 , who will show us any just claim, that was pending over two weeks from the time full proofs of the same reached our office.

We are publishing this thinking that perhaps some one might know of some person who , claimed to have such unpaid claim and if so, kindly direct them to come to our Jamestown Office the sale of one way second-class coloand receive their forfeit.

We remain

Yours fraternally.

ORDER OF THE GOLDEN SEAL.
