One of the great needs, and that all will agree with is a street crossing over the railroa I to factoryville. The employees lose time in the circuituous walk that could be profitably used at meals. Why not agitate the matter and bring it to pass. Other places have been able to do it for less reason and need than we have.

American politics,

Have you noticed how little you hear from Tokio? And what a volubility of talk comes from St. Peters 1 burg. Evidently those little Japs! keep right on sawing wood, or Rus-

---Room at When Senator Dolliver the Top. was delivering an address the other day in the United State Senate "On Trusts," a speech that showed careful preparation, ac fected a question which has been the talk of the older men around the Capital, "Does a young man have the same chance of success as his father?"; Mr. Dolliver is an optimist, an optimist first in regard to the future of the republican party and certainly by his ad-

dress he is an optimist concerning the chance of the young man of today. saying, and yet one true to the young man who will follow the advice of Andrew Carnegie, "Do your task and a little more." Shirkers can never expect to win a place of standing and no person in the world will have much respect for a "quitter." It is a mis-

take for a young man to think that the doors of opportunity are all shut. True it is that one must mount to success thru different conditions; one may never be a rail-splitter or reach the White House from the tow path. Yet under twentieth century conditions] there is room at the top for the young man who makes a speciality and creates a demand for himself. Sena-The public is cordialy invited tor Dollim said, "I insist that modern

different directions." The speaker knew what work was. He came up his thought that the rapid living, the stern demand would in twenty years have sent every trust magnate into the grave or in a sanitarium or in the retired list. One of the refreshing statements was that in the face of all the worship of the golden calf. "There never was a time in human history when a dollar taken by itself stood for so little as it does today." Thus the worth of a man counts and there When you buy meat, you is room at the top for every man who want to buy the kind that will make himself worthy. The doors
