THE PUBLISHER.

What Do What we read influ-You Read? ences in greater degree than we realize our lives and help in the making of character, and the class of fiction published in the cheap magazines and indeed in other forms is responsible for much carelessness and shiftlessness of our times. Indee it is true that much of the criminal instinct of young minds and passionate outbursts of older minds might it traced to its scource, be found in the 1. trash that goes by the name of read ing. There is a responsibility often, overlooked, take it in matter of the public libraries. The desire of having the greater number of leaders has led to the filling of the shelves with reading matter of the love sick, trashy kind that neither feeds the mind than any since the civil war. Threat. or soul. Here is work for some heroic. soul, one who will dare to undertake in the face of public opposition. crusade against much of the literature that now finds no rest, but goes on it journey to poison and insiduously to. sow seeds that are to find their fruit age in weakened character. Biography, Travels, History, the reading o. astronomical works. Try it, for season and a surprise is in store fo the one who will undertake it in the enriching of mind and strengthening) of character. The reformer will meet with the objection, "Oh! You are too. ideal." Yet no purpose ever started on a smooth pathway. The new idea is t met with the cry "You are too ad . vanced," etc. Yet it was in the reading of the "solid" books that the ones of long ago found their help in building character. When they had ... reading such as "Pilgrims Progress," far assured to remove it from the de Medicine Cure." Out of 36 spring Saints Rest," "Fox's gree of uncertainty. Only once has tonics the lowest percentage of alco-Martyrs," with the lives of the men. It was the quality of that reading tha helped make the strong men and women of these times. This is not a plea for a backward slip, rather a piea, that the advantages of our times be utilized by taking the best and mould-
