From the above it is evident that while the library has received gener lous support from some, many who have taken advantage of its benefits' have made no material effort to contribute to its continuance. Due credit should be given here to those who have sided in other than financial ways by relieving the Trustees from expenses that would have considerably lessened the amount annually expended for books, and conse.

quently an equal amount received from the State. First among these is J. M. Brundage who has given the use of his by the cider once as well as the readonilding without receiving therefor any renumeration whatsoever, Library simply paying taxes and insurance on same. The Mutual Gas 1 Co. Lt'd. has furnished gas free for light and fuel.

The Board of Education of Andover High School has given 113 volumes It is only justice to mention the Librarians, Mrs. A. M., Burrows, Mrs.

J. M. Brundage and Miss Belle Brundage whose efforts have been untiring tor very pleasing shert addresses were price of Cheese today was 8 cents. Bein keeping the library in first class running order during the past five given by the Superintendent, B. S. tween four and five thousand boxes Last, but by no means least, those who have served as Trustees and have offering taken for the work of the given their time and thought to the furtherance of the library without re- helping of other schools was the largceiving the encouragement and support they have deserved in their est ever taken for a like object and

almost thankless work. Their efforts to raise funds and thereby increase the library for the common good have hardly met the co-operation that Bible school is in a flourishing conmight be expected from those who enjoy the fruits of their labors. The Library contains 1704 volumes, classified as-follows:

During the past four years the library has loaned 24,657 volumes which goes far to show that it has been very much alive.

The monies received from the various sources mentioned above have been expended as follows:
