HOW YOU FEEL IN ONE OF OUR SUITS

In the first place you know you are correctly attired; you know that the most critical person can find no fault with your apparel. You feel at peace with yourself and with everybody. You have that contented feeling-you know what it is if you have worn one of our suits. It's a pleasure

Perhaps you have the 'tailor habit"--a useless habit and _an expensive bothersome one.

Does your tailor know-realize every little whim of Dame Fashion? Does he fashion your clothes in accordance with her dictates and your desires, or does he use his own ideas? "In" our clothes you obtain the latest expression of style --of good taste. Our clothes will fit you fully as well as if tailored to measure--look at your neighbors, every day you see proof's of this. Besides, they have the advantage of, style, which is impossible to obtain from home tailors.

THEY WILL HOLD THE BOY. THEY ARE MADE TO Some boys seem to look far neater and tidier than other boys, their clothes seem to wear longer and always look

Some mothers hold these boys up to their less forturate sons as "good examples" and say "I can't see why your clothes don't last as long and look as well as Johnny Jones." It isn't either boy's fault-its their parents', that one's

clothes wear well and the others' doesn't. Johnny Jones' parents buy his clothes of a store that sells good clothes-clothes that not only look well but wear well,

because they are good all the way through The other boy doesn't get that kind, although his clothes cost as much as Johnny Jones' and look as well when they Johnny Jones' parents buy his cloths here at our store.
