New Ruling The new regulation of the postoffice department that took effect Jan. 11,1908, makes it imperative that all subscribers for the NEWS, as well as all other weekly papers, who wish their paper continued, pay up all arrears promptly. The department allows only a limited time for publishers to get their lists in shape to conform to the new law. All subscriptions must be paid in advance, and any that are over one year in arrears cannot be mailed at the second class rate. Look at the address lable

-and it will tell you when your

paper is paid to. If you are one

year in arrears your paper must

Marvelous Growth Mining and

PREDICTED four years ago that the steel industry would Shingle House, Pa. 10 acres of proincrease to such an extent that before the year 1910 this burn, ice house and orchard. Store country would be consuming from 23,000,000 to 29,000,000 building 24x28. Stock-consists of genof steel annually; that the railroads and workshops eral merchandise and will inventory would be UTTERLY UNABLE TO FILL THE DE- for \$1,800 and stock for inventory never dreamed of. That prediction is being very rapidly VERIFIED. annual sales run abaut \$8,000 a year. As nearly as I can estimate the consumption was 24,000,000 tons of There is a splendid tributary country

We used to consider 2,000,000 to 3,000,000 tons of steel rails an for balance, or will take a small farm enormous output for one year. Now the rails required to replace well located, as partial payment. This those worn out amount to more than 2,000,000 tons. That is saying trolley line and ½ mile from N:Y.& P. nothing about extensions and NOTHING ABOUT IMPROVE railroad. The oil and gas right goes MENTS. Twenty years ago there were scarcely any steel frame with the land. The owner's only reabuildings. Now 3,500,000 to 4,000,000 tons of steel are used annu- son for selling is owing to ill health. ally for buildings, saying nothing of subway tunnels. Anywhere you Herrick Agency,

I BELIEVE THERE WILL BE PERIODS OF DEPRESSION. BUT TO MY MIND THEY WILL BE SHORT, AND THE GRAND AVER-AGE OF OUTPUT MUST ALWAYS BE INCREASING.

The factories everywhere are increasing their capacity. I do not agree with those who think manufacturers are extending their plants TOO MUCH. The increase in capacity will all be needed.

The Bethlehem Steel company is expending \$15,000,000 to enlarge its plant for commercial output. When I first went into the steel business twenty-five years ago

hings were done in a pretty CRUDE WAY. I think the same cononly necessary, but inevitable. Cor est fruits from his pen, printed this duction of precious metals and make mining a PROFITABLE business. In the production of steel the improvements possible to be made now are small, but in mining there have not been many improvements

A MAN WHO HAS AN ADVANTAGE IN COST OVER ANOTHER ${f F}$. R. Emery

Mines are being equipped now with machinery and appliances of the most modern, UP TO DATE DESCRIPTION, and it is my belief that the application of these principles to the industry in the years to come will make it profitable.

THE MINING WEALTH OF NEVADA IS INCREASING MOST RAPIDLY. IT IS THE GREATEST PRECIOUS MINERAL BELT, DOWN THROUGH NEVADA, TO MY MIND, IN THE HISTORY OF 1

The Woman Question Can Be Settled by Man

By Bishop WILLIAM STANG of Fall River, Mass. EMPHATICALLY deny that in the present Christian civili-

zation woman is regarded as the INFERIOR of man and Owen Wister, the author, is running that she has no chance—as we often hear stated by socialists—. to rise from her state of servitude under PRESENT con-

> Socialists declare the present conditions must change—everything is radically wrong, and a complete tearing down is necessary before reconstruction. But I seriously question if a majority of our good! women realize that such is the case. Christian women simply wish TO LOVE AND OBEY. The modern woman agitator, with her Main Street head full of undigested information, usually does not find the right | T kind of man to appreciate her. * * *

SUCH WOMEN GO. ON THE PLATFORM TO CLAIM "RIGHTS" THAT NEVER BELONGED TO WOMEN.

At the present hour, however, there are many grounds of LEGIT-IMATE COMPLAINT among women. Many noble hearted women are forced by circumstances to leave their natural sphere of action, Winter Mittens and Gloves, robs the widow of her meager store, men of Morocco. The world reads of people who are talking of taking a the home, in order to earn an honorable existence. They are FORCED will not be called on to lead the or- the heroism of the soldiers of France- course in a Business School and I will into public professions. Now, this is not a healthy condition of things; mostly Arabs from Algeria—in many send you a complete-home course of and if we should look for the cause, what is at the bottom of this dissatisfaction? It is the unworthy conduct of so many of OUR MENthe rapid increase of male loafers, volunteer bachelors. Men are made strong, their characters are strong, and they should be willing to use their brains and muscles TO PROVIDE FOR WOMEN, and if

this came about then the woman question, the great social question, TRAINOR'S THEN WILL WOMEN LEAVE PUBLIC LIFE, THE MART AND FORUM, AND RETURN TO HAPPY HOMES

We Should Have Income Tax Village

By Ex-Judge AFFON B. PARKER. BELIEVE that EVERY STATE in the Union ought to have Lot in an income tax. The FEDERAL government has sometimes Andover levied a tax on incomes.

There are, of course, many inherent difficulties in the levy AND COLLECTION of such a tax in this country, where the people are so much less settled in population than in the old country, but it lot in Andover Village, 3% of an remains for the state to previde for the collection of its revenues by acre, with twenty fruit trees just such methods as will operate best for the GENERAL INTEREST. beginning to bear. Located in the △ These methods must be practical—that is to say, they must be such as most healthful part of the village. can be enforced WITHOUT SERIOUS MISCHIEF and such as This will be sold for \$150. Here will provide the revenue.

But when the question is "What is and what is not practical?" ap- can build them a fine home. parent fairness and equality as between individuals are of the highest Apply to

TO THE COMMON MIND NO RULE SEEMS TO BE MORE JUST ENINGUE A AND FAIR THAN THAT PERSONS SHOULD BE TAXED FOR THE FF SUPPORT OF THE STATE OR GOVERNMENT IN PROPORTION TO ITHE REVENUE-THAT IS, NET INCOME-THEY ENJOY UNDER ITS PROTECTION.
