YOU CLOTHES

this Spring, you're going to take your choice between "injercerized-cotton" and all-wool fabrics. You'll find either easy to get, if-you go to the right place for it.

If you choose the "mercerized-cotton" clothes it will be either because you don't know what they are; or because you "think they'll do," and you may save a dollar or so. But in either case, you'll be a loser; "mercerizéd-cotron" goods do not wear the money's worth; don't keep shape, nor look right after a few weeks

If you choose Hart, Schaffner & Marx all-wool you'll have to come to us for it. You'll find here the highest type of clothing-style, hand tailoring, perfect fit; and absolutely all-wool, with no sign of cotton thread. It pays to make and sell and wear such clothes; pays the wearer, most of all.
