New Ruling

The new regulation of the postoffice department that took effect Jan. 11,1908, makes it imperative that all subscribers for the NEWS, as well as all other weekly papers, who wish their paper continued, pay up all 🌠 arrears promptly. The department allows only a limited time for publishers to get their lists in shape to conform to the new 📑 🎉 law. All subscriptions must be paid in advance, and any that are over one year in arrears can. rate. Look at the address lable and it will tell you when your paper is paid to. If you are one year in arrears your paper must be stopped in a few weeks unless hill we receive your remittance, _____

In a very short time this store will be crowded with New Spring Goods. They are already beginning to arrive. We have just opened a solid case of new Apron Ginghams -over 2,000 yards. We want to close out all remnants of every description. All odd sizes in Shoes, also every kind of winter merchandise. For this rummage sale we have made some very low prices on some articles simply to move them. In many cases not 1-2 the wholesale cost is represented by the price. But we do not want any "carry overs" and can use the room for new goods to very good advantage. We quote a few of the move-quickly prices. You'll find many bargains, however, not mentioned here.
