The great Republican Party is in danger of loosing its reputation as a ance Union will meet with Mrs. Back- day afternoon and evening. The party of reform by waiting until it is driven by an outraged public into re-Directors-Mrs. Meade, Mrs. Backus, past two. An interesting and benefimoving the tariff on lumber and tim ber and especially the kind that i used in the manufacture of paper. tariff to stimulate production is all 1882 ANNIVERSARY SALE 1908 right but a tariff to encourage destruc tion is all wrong. Our whole country needs what forests we have left in a standing condition and any policy that tends to destroy that which cannot be replaced is unsound, and es pecially so when its destruction means the destruction of the agricultural in terests which depend so largely on the preservation of the forests. It is generally conceded that the cutting down of each acre of timber makes our country poorer and why should this course be pursued further

The timber lands of the country are largely held by land sharks who have violated or evaded the timber land laws, by men who have gobbled up vast tracts for low prices, lands at The Biggest Stock to Select from in Allegany or from one dollar and twenty-five cents per acre that the standing timber is ln many cases worth hundreds of dollars per acre and still they demand fur ther protection from the governmen
