MAGNET

The hammer and the magnet are two great forces, but they are very mer compels, the maget invites. The hammer beats noisily on the sur face, the magnet penetrates with an unseen power to every atom within. The hammer considers the form, the magnet deals only with the life.

There are two ways of dealing with human nature and of having things in | ** life as we wish them like the hammer, the other is like the . . magnet. / One way pounds, the other One way changes by force, the other improves by culture.

it will often make the school a model b cksmith shop we run, and how the Andover Church News of order and diligence. If a pupil blows do rain down upon all that gets | If two boys get into a fight and ham mer and in the strong arm, and I like nier each other on the school grounds to see the sparks fly when the life is the master must hammer them both beaten out of some gigant's evil, but when they come in, and so on in all vet it seems to me that too large a affairs of life; wherever evil shows its proportion of our reformatory cash is head come down upon it with the invested in the hammer and too little morning service. hammer, whack, whack, in the magnet; too much in he re A mighty anvil, a mighty hammer proof of evils and too little in the and a mighty arm, how they do graduat, silent, unseen evolution of straighten out the crooked and how the good. I think this because I be they do whack the life out of all sorts lieve that good is the real, the pasi 7:30. of evil. Nothing commands more live, the eternal entity, and bad its admiration than the sturdy blows or opposite negative, and that in plant some hero of the hammer who always ing and nourishing the seeds of good, "hits the nail on the head" and makes in looking upon and ad fressing ourc dangerous to do wrong, and the seives to all the better elements of huhammer has its use. ROGERS

THE FAMOUS

FOR MEN AND YOUNG MEN

AUR motto has been, is, and always will be "The / Same for Less Money, and Better for the Same Money." This "Hermanwile Guaranteed Clothing" is "better "for the same money"—it is better than any clothing you have ever been offered at anything like the very moderate prices we ask. It is

Better in Style

-because it has the same perfect lines which you find in the very highest price garments Better in Fit

-because it is designed by men who under-

stand every variation of the human form Better in Value

-because it is clothing with a name and rep-

utation for quality, which the makers must live up to

Better in Workmanship -because it is HAND TAILORED all through.

SVITS. TOPCOATS \$10 to \$18

And the same Style, Fit and Finish in every garment, no matter what the price

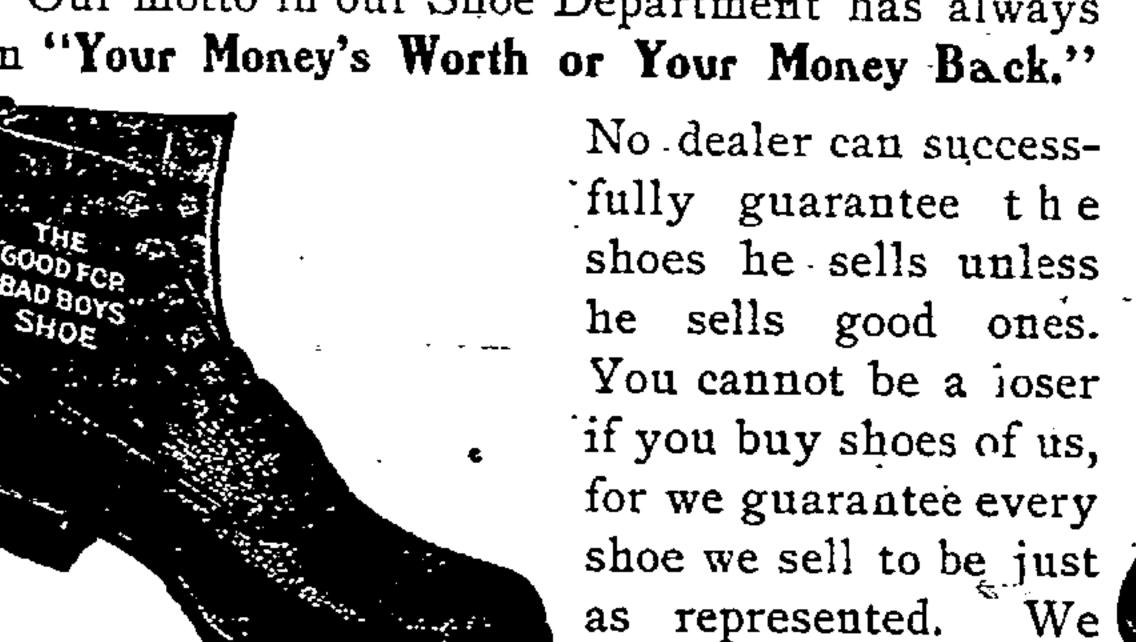

Made to Measure Department

In addition to one of the best, most up-to-date stocks of ready-to wear clothing to be found in this part of the State, we have added a very complete and exceptionally attractive line of samples of all-worl cloths from which we are ordering made to measure garments—suits, raincoats, topcoats, trousers and fancy vests. We selected the Taylor line, made by J. L. Taylor & Co. of New York and Chicago, after carefully considering several others "Let Taylor tailor you once and Taylor will tailor you always" is the motto of this house. All we ask is one trial. We are sure we can convince you that Taylor clothes are the best you can get anywhere at the price.

SHOES

The same of the sa

Our motto in our Shoe Department has always been "Your Money's Worth or Your Money Back."

fully guarantee the shoes he sells unless he sells good ones. You cannot be a loser if you buy shoes of us, as represented.

for we guarantee every shoe we sell to be just will not sell a poor shoe if we know it. No department we carry has been given more careful attention in stocks selected than our Shoe department. That's the reason we have the reputation for selling GOOD SHOES This spring we are better than ever able to supply all your shoe wants. The American Lady and

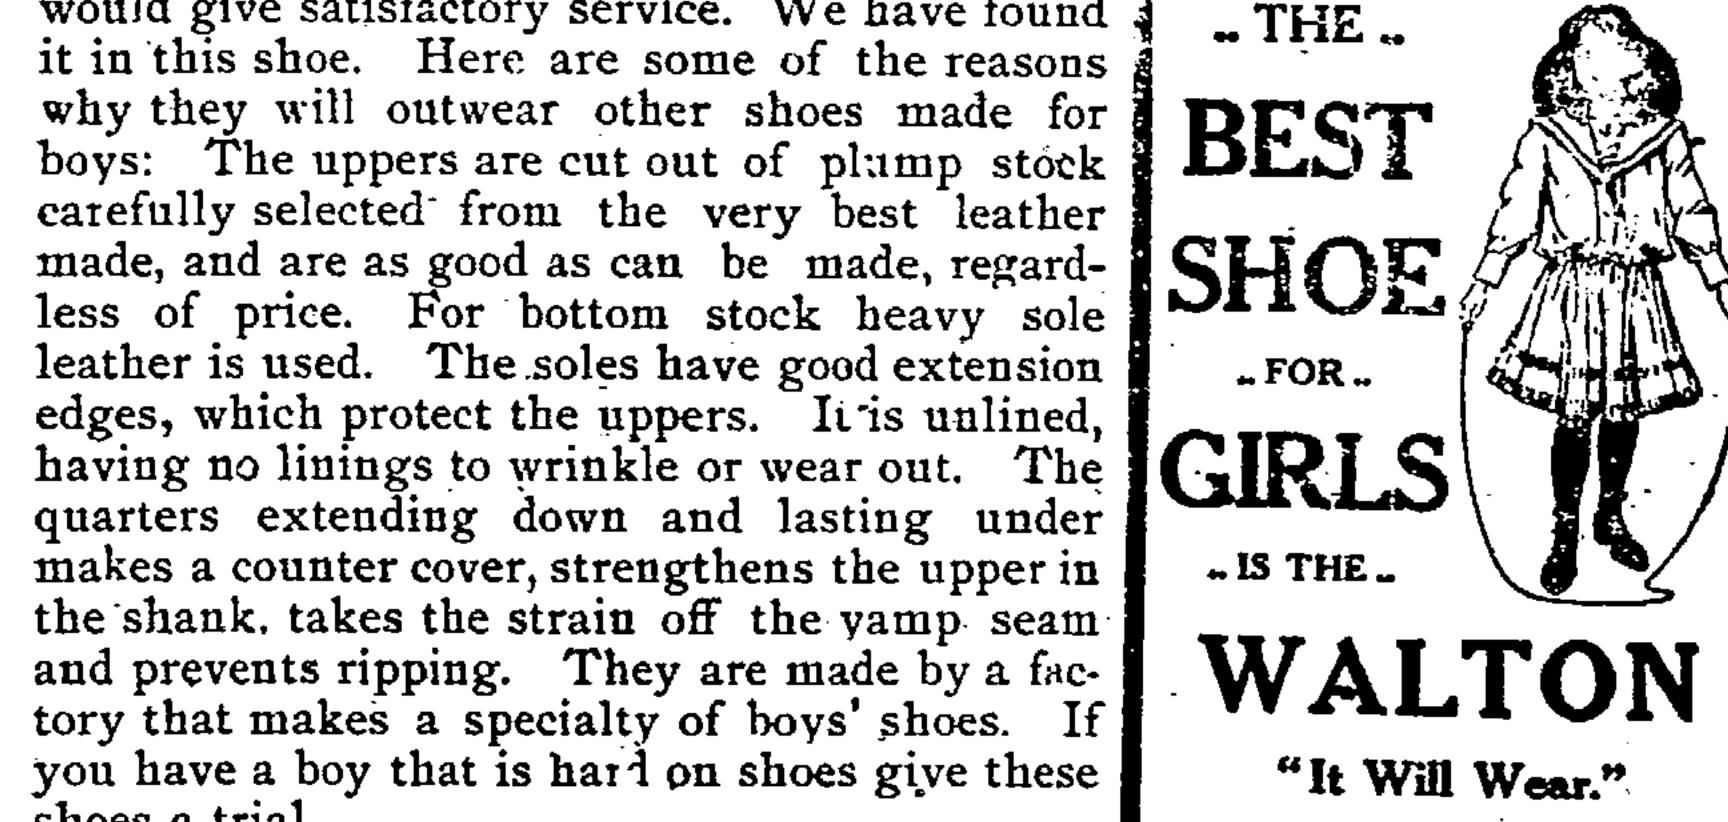

American Gentleman Shoes, made in the largest shoe factory in the world, are the leaders in their classes. We carry in stock a large assortment of these shoes in both high cuts and oxfords, and can furnish any shoes made by this company on very short notice. We have added three new lines this spring—the "Walcon" shoes for girls, the "Good for Bad Boys," and not bad for good boy shoes for boys and the Thos. Wood Elk Tanned Water Proof Work Shoes for men. One trial

of any of the above will convince you that they are the BEST TO BE HAD

IN THEIR CLASS. The "Good for Bad Boys" shoes have already made many friends here. Most boys are hard on shoes. For a long time we have been looking for a boy's shoe that would give satisfactory service. We have found \$ it in this shoe. Here are some of the reasons why they will outwear other shoes made for BEST boys: The uppers are cut out of plump stock

carefully selected from the very best leather made, and are as good as can be made, regard- SHOE leather is used. The soles have good extension edges, which protect the uppers. It is unlined, having no linings to wrinkle or wear out. quarters extending down and lasting under makes a counter cover, strengthens the upper in the shank, takes the strain off the yamp seam and prevents ripping. They are made by a fac-

tory that makes a specialty of boys' shoes.

BURROWS' SONS.
