THE UNKNOWN DEAD

Those Bursed in National Cemeteries Exceed 100,000 The army of the unknown dead" buried in the national cemeteries un-

der the supervision of the United

States government is an enormous

According to figures recently submitted to the house by Representative Chancy based on a report from the quartermaster general, there are 152.-403 unknown soldiers lying in the nati

tional cemeteries. The total number of Loties in these cemeteries is 353,385, the known number 201,282.

It is not generally known that o these is outside of the United States, being located in Mexico City. More than 1,500 soldiers of the Mexican war rest there, half of them unknown. George Payne Hangs Himself to a Gas h -----
