"The Hypocrites," Etc.

I have always maintained, and publicly maintained, eyen in Eng. on the roof alight, and there resulted knocking the town. These fellows were people may go and enjoy the green the importance of the step is still furland, that there will be a NATIONAL THEATER in America be- Post. fore there is one in England, this because there is a heartier interest in the drama in America than there is in England. There is a larger in England.

Twelve years ago I had hopes of the drama in England. seemed to be advancing toward a SERIOUS DRAMA of English with equal furthity. As soon as she was a reason and a good one for not eration with the Federation of Wom- rugged decency we look for in our na-TAINMENT, the one purpose of which is not to show people their the kangaroo I understood the kind of usually are worn. It was to be tied

* * *

I believe, of course, that the drama should amuse, but why should i it not amuse with material DRAWN FROM LIFE? To my mine the one remedy consists in the publication of plays. That would enable people to judge in the cold, sober light of the day after of the is not necessarily a teacher. I do not pose as one. It is with plays as it is with laws—they should never be AHEAD of their generation They should be pictures RATHER THAN COMMANDMENTS The dramatist should find in them a healthy, refreshing exercise.

"We Approach the Seedtime."

By LESLIE M. SHAW. Ex-Secretary of the Treasury. TIVING expenses are never cheap except in periods of industr reached. A slight CURTAILMENT everywhere will do Fifice.

Our only danger is from UNWARRANTED alarm. We have Cerebral embolism, or the occlusion into the old schoolhouse at the regular man Now into the last the hast caught cold nor been running at a breakneck pade until everybody is well nigh out of breath. If we can now slacken and nobody lie down in the road it etations form on the valves of the ty men, with long white apron-like of yours resigned his job in the local means. would be well with us.

There is a great difference between a PANIC and commerc and industrial STAGNATION. It is an error to speak of the panic enters a vessel that becomes narrower torchight. Many of the others carried mustry faciling so to small is the discourse discourse to the discourse disc of 1893 to 1897. The panie was in 1893. The conflagration whic followed the panic was of long duration, while commerce meanting --- sat on the sidewalk and the fire department disbanded. THAT PERIENCE IS NOT NOW TO BE REPEATED. Conditions are entirely different. Every dollar of our currency is now admittedly tery, at the base of the brain, is af- knock unless he is on the inside? fected. Once lodged unconsciousues. worth 25.8 grains of gold and passes everywhere unchallenged. Revolutionary financial legislation is advocated by no one, and reactionary revenue reform is not threatened. Our prosperity rests on a surer foundation than STOCK MARKET QUOTATIONS. Our prosperity rests in our faith, and our faith is anchored in the promises God, that "while the earth remaineth, seedtime and harvest and col and heat and summer and winter and day and night shall not cease. WE ARE APPROACHING SEEDTIME. LET THE CROP BE PUT IN IN GREAT HOPE.

Movement For Lasting pain and peril that shall fall thereon."

By General HORACE PORTER, Former Ambassador to France. HE MOVEMENT FOR PERMANENT INTERNATIONAL PEACE Strand and the payment of six horse doleful voices. Altogether it was g IS PRACTICAL AND WILL RESULT IN MORE AND MORE MATERIAL BENEFIT TO MANKIND.

The peace movement will be given added impetus at the are used year after year, the shoes beconference at The Hague in June. The exact date for the meeting ing at least two centuries old. has not been set as yet, but it is certain that THIRTY-SEVEN NA-TIONS of the globe will participate. The delegates of those nations are a force that will have an effect. They will consider some of the PRACTICAL PROBLEMS which would bring about the amelioration of the horrors of war and the further submission of internacontroversies to ARBITRATION tribunals. The programme to be metry of two peeled pears." urged by the United States has not yet been decided upon.

I have no doubt that the movement will be helped by the coming ing book. meeting of the national arbitration and peace congress in New York city, which will be addressed by the leading peace advocates of this' country and Europe. PERMANENT international peace will not in a back pew this morning. Why, I to give you a chance. If you will
