WRONGDOING and wrongdoers, and as such exercises a powerful see that your hedge is trimined, influence. It is usually on the side of cleanliness and decency. usually stands for that which is best in our civilization, and it is a TREMENDOUS DETERRENT to those who might be disposed betray their trust. Being the source of such potential influence it is of

DISTORTION.

The press, like the bench, the bar, the pulpit and the great body of society, has its share of those who are not actuated by any high or } ethical considerations and thus tend to bring a noble profession into would warrant the formation of disfavor. They are fortunately a part of a small minority. The great body of the press, like the great mass of the people whom it serves, is which will you choose? HIGH MINDED AND PATRIOTIC. It stands for those things which make for the uplifting of the community and for the betterment of mankind.

We hear occasionally of the decadence of the press; that it is no longer edited from the editorial sanctum, but from the business department. This were unfortunate for the community and country IF IT a New York man who believes in or- if all its newspapers should shut up 2 WERE TRUE. It is no doubt true that individual editorial utterances do not stand out and ring far, as did the editorials of Horace is was in the not remote past. The field has been fully occupied. editorial pages have been many times multiplied, and while the INL VIDUAL editor perhaps does not exert so distinct and widespread influence as formerly, the AGGREGATE INFLUENCE is qu as great, if not greater, than ever.

IT IS FAIR TO SAY THAT THE NEWS COLUMNS HAVE CO LE TO HAVE A MORE POTENT INFLUENCE UPON PUBLIC DISCUS-SION AND THE POPULAR JUDGMENT THAN THEY FORMERLY
