But there is a vast difference The Republican party favors a revision of the tariff, but such a revision as will not remove the protective fea ture. On the other hand, the Democrats favor a revision that will reduce the tariff to such an extent as to bring about free trade, or a "tariff for revenue only." Do our wage earners want another such a period as the panic brought about by the enactment of the "Wilson-Gorman" ta iff of 1894? A vote for Bryan will -do the trick quickly, should there e

Wooltex Suits, Coats and Skirts

We have been made the Andover Agents for Wooltex Garments, Suits, Coats and Skirts. We can furnish any garment made by this great factory on very short. 🔊 notice and shall carry in stock a large assortment during the Fall and Winter seasons. The first shipment of Skirts is here for your inspection. Some of the Coats will, we expect, be here before this paper goes to press. There is a great deal of satisfaction in knowing that a Coat, a Skirt or a Suit is RIGHT in materials, in style and in fit. You can be absolutely certain of this if it's a 🏲 WOOLTEX, for they are leaders in styles and use nothing but pure wool and silk in the manufacture of their garments. Here are some WOOLTEX points of superiority:

Materials that are all wool-by test-not by guess.

Style that is original, refined, extreme is nothing but beauty.

Fit that is made exact from careful cutting and fitting on human models. Collars put on so that they fit snug to the neck.

/ Linings cut and made like a separate garment, and securely sewed in place. Surface stitching of pure dye silk that will not fade.

If you are thinking of buying a Coat, Suit or Skirt look over this WOOLTEX

More attractive than ever are this Fall's styles of the famous Hermanwile Guaranteed Clothing. Every garment is hand tailored and every one has the distinctive Hermanwile style and fit.
