# If a Store Ean't Make Good Its Advertising Will Not Pay!

A store's advertising serves to make it known quickly to the whole If the store makes friends as rapidly as it makes acquaintances, its advertising will pay. If it will not stand up under the publicity test, its advertising — on any considerable scale --- would wreck it - would wreck it by making people familian with its defects -- familian with its NON-USEFULNESS TO

Thus a store that is not sure of itself should avoid much advertising. that THRIVES under advertising is the all-right store—the store that
