R Business Proposition

Did you ever stop to think, Mr. Business Man, that the news of your business is as much a part of the local events as a wedding or a church fair? The ladies are just as much interested in a new fabric you have on the shelves as they are in any home happening. Your store news and announcements in these columns will reach a large circle of cager buyers. This will enable you to sell year goods while they are new and fresh and you will not have to sacrifice later at rem nant counter prices.

Think it over.
