fall propositions and constitu

on the right side of all moral and political questions, that you do not allow anything to stand in the way of principle. When one is stricthonest with himself, regardless of the opinions of others,—who may be perfectly honest in their belief-there is a satisfaction and freedom which will more than repay the man who is honest with his own convictions. It is only with men who have will power enough of their own to come out, alone if it is necessary, and stand for the right, truth and honesty, that there is a possibility of obtaining any reforms. Had it not been for such men this country would never have been a free country. tion they ought to vote YES, not 't would stillabe under the English Dominion. Had it not been for I men of this type slavery would still be a curse to this country. Today another crisis is at hand. The taking from the hands of the political bosses and grafters the machinery of our government and returning it to the PEOPLE.

Heart-to-Heart Talk

Five Cents the Copy:

No more County Road, the cost of We have the greatest respect for the opinions and beliefs of which the state pays 80% and the others. Every one has just as good a right to his own political county the remaining 20% will be views as have we, provided that all are sincere and honest in their beliefs. The only contention there should be is the contention of what is RIGHT. Right wrongs no man. Let us consider a few of the issues of the present political campaign from this standpoint.

The great State Road through this Was it right when a very large majority of Republican voters throughout the entire nation were in favor of the nomination of Theodere Roosevelt for the presidency in that ticket, for one man, backed by t dozen or so of others, with no motive other than that of evening up an old political personal grudge, to tell the Republican party that they did not know what they needed and thwarted the expressed will of a majority of that party by nominating a candidate for the presidency not be completed unless the \$50,whom they admitted it was impossible to elect? Who are the real honthe State Road now building through est republicans of this country to-day, the men who submitted to this County from Hornell to Olean this disgraceful procedure with lamb-like simplicity or the ones who 's finished without the aid of the new | protested and stand out to-day alone for what they consider right and bend issue, it will have to be only justice, that the majority might have the opportunity to express their teet wide throughout much of its preferment at the bailot box this fall. We challenge any one to dislength, and may have to be complet! prove this statement.

Is it right that this self same "chief boss," as chairman of the executive committee of the republican party in the State of New York should dictate in the very minutest detail the principal legislation passed at Albany year in and year out, wherever and whenever the and south State Road through Alle. Republican party held a majority large enough to enable them to pass gany County, connecting Olean and bills? All know the situation in New York State for years. Is it

Rochester through Cuba to Belfast | right? is it right for a few men in Allegany County to absolutely control Caneadea and Fill and dictate nominations for officers on the Republican ticket, which I heretofore has been equivalent to an election, whether they are the candidates wanted by the people or not? That has been the proceedure ' in Allegany County for years. There are many places where Alled

Is it right for this same selfappointed committee who style themgany County desires County Roads which it cannot get unless the pro- | selves the "organization," not one of whom is a member of the Board posed bond issue goes through. The of Supervisors in this county, to organize the board by saying who that the Good Roads bond issue have been thus controlled. There has been many notable exceptions, but the "organization" always looks out that they have a control of There is such a tremendous that board. Enough men subservient to their dictates to carry any economic benefit from good roads, legislation or measure they want put through.

Is it right when a candidate for a county office, in this or any other comfort of living in the country, county, makes a personal canvass of the towns and gets a large majorthat every elector should make him- ity of the delegates in his favor, to come up to the meeting to desigself a Booster for this proposition, nate the candidates only to find that the "organization" has turned and not only cast his own vote on against him, and defeats his nomination by influencing delegates sent

the voters. I shall vote YES up- tics in this nation, state and county.
