Leader May be Assassinated

not go down to the dust with the bearer who raised it so far aloft and carried it so far forward. Bathed in his blood, it would be lifted higher and be swept along irresistibly. The worst that Theodore Roosevelt's enemies could say of him

was that he was fired with a selfish ambition; that the Progressive I cause was a one man movement. The maniac who fired the shot that Emergency Hospital and went at for young people 1718, total 9451, now rings around the world echoed from his disordered brain this

Were that truth and not falsehood, the death of Theodore Roose velt, against which friend and foe alike implore, might be the death of But the Progressive cause, as its devoted Spartan chief_protests

in the face of the assassin, cannot die. It is not at the mercy of such a tragic turn of Fate. It is too great a cause. With Theodore Roosevelt to go on fighting at the head of the Togressive forces, the Progressive cause will move forward in triumph. | With the sacrifice of Theodore Roosevelt's life the Progressive cause,

' instead of perishing with him, would be invincible. At latest accounts Colonel Rocsevelt is out of danger, not grievlously harmed by a shock which would have left all but one man in a million in a state of collapse. Unmindful of the bullet in his breast, the lion-hearted Progressive leader went on with his scheduled speech. A man like that is a marvel who cannot be reckoned with in any-Library thing as ordinary men are reckoned. So his foes have often learned vith fresh lesson upon lesson. So as he lives shall they learn again. With the assurance from the Colonel himself that the wound is not

Cash on hand at last report \$ 610.46 even dangerous, and with the evidence thus given that his life is 200,00 The world will be thankful that this man in 190,000,000 is not to die.—
