Fabrics this season are altogether different; styles, too, are novel. Beautiful new shades and

metals and patents, at \$3 to \$4-the nobbiest last in all America.

You can't go beyond that; nor is a verdict so sweeping as that given thoughtlessly. It must and does have reason behind it. Walkoyer Shoes are admittedly the "Leaders of the World," with reason—:uperiority of style, superiority of fit, superiority of shoemaking have made them so. They have won this proud title sclely on merit. Let your next pair be "Walkovers"—here in all lasts and leathers, 33 50 up.
