The Woman Makes the Home

She makes it best who, looking after the culinary department, turns her back resolution. ly upon unhealthful, or even suspicious, food accessories. She is economical; she knows: that true economy does not consist in the use of inferior meat, flour, or baking powder. She is an earnest advocate of home made, home baked food, and has proved the truth of the statements of the experts that the best cooking in the world today is done with Royal Baking Powder.

stray bullet which hit him in the the company he keeps. The Suitor-Then I'm all right, for Pre been keeping company with daughter for over two years. Good Intentions, "He meaus well."

22 caliber rifle and fortunately called parties shooting at the mark can in because he's too blamed willing to let It go at that."--Detroit Free Press.

A man should be upright, not be kept

Our representative has just returned from New York and we are now preparing for the largest Christmas trade in our history. who wish to take advantage of getting the pick of our stock should shop early. There is just time to make the gifts which

cost so little and mean so much.

Gorgeous Ribbons for Bags and Slippers; Huchaback Toweling-figured and plain; Royal Society Packages containing Aprons, Centre Pieces, Couch Pillows and many other novelties; Coronation Braid in colors. D. M. C. Crochet Cotton; Royal Society Working Cotton in colors; in fact everthing

with which Fancy Work is done.
