FINAL CALL

Volunteers! Progressive

The undersigned, with the sanction and approval of the National Progressive Committee, recently issued a call for one thousand loyal Progressives, from all states in the Union, to join them in a special and highly important service to the Party. We appreciate in the highest degree the splendid response that has come from all sections and now issue this final eall to round out and complete the organization.

. If you are a true Progressive, willing to strike a blow for what you believe in, we invite you to join. us; and we assure you that you will not be asked to do anything that will in any way interfere with your occupation or involve any sacrifice of time or money.

It will help us if you will state will occupa. tion, but whatever the occupation may be, or wherever it may hold you or take you, you have it in your power by joining in this movement to give invaluable assistance to the National Committee and the Party. If you -- have this cause at heart we urge you to answer this call to the colors. Please address
