We find quite a number of articles in the different departments which have been rather roughly handled during the holiday rush. They are mostly soiled and do not look quite as fresh now as when first unpacked. These articles we have marked at 25% below the regular price and some at just one-half. Come quickly if you want real, genuine bargains.

Sunday morning in this church 10:30.

Sunday School at 11:45. J. C. S. at 4:00. Y. P. S. C. E. at 6:30.

The Federated service of the churches of Andover will be held in the Presbyterian church at 7:30.

The pastors and churches are trying to please the people and to be of service to them and help them to the best of their ability. Come and hold up our brother's hands and you will not be disappointed.

Next week being the week of prayer it has been decided to hold three services during the week.

On Wednesday night in the M. E. church at 7:30.

On Thursday evening in the Presbyterian church at 7:30.

On Friday evening in the Baptist church at 7:30.

Let all praying people get out to all these meetings and see if we can not obtain the promised blessing.

On Saturday afternoon at 2:30 the monthly Covenant meeting of the church will be held. Let all come who can.

The Christmas exercises at our church on Christmas Eve were well attended and the program was very interesting and well rendered. It showed what the children could do when well trained by competent teachers. The music and speaking were pleasing and showed hard work on the part of all connected with the program. The Christmas tree was well loaded and held present for all the children of the school. It was a very enjoyable evening thanks to the committee who had the matter in charge.

**METHODIST EPISCOPAL CHURCH**

Rev. F. M. Baker, Pastor.

**Happy New Year**  
And may it be indeed a happy New Year to all of you, a time when you will be blessed more than ever with "The Riches of God in Christ Jesus." If the blessing of material wealth be also yours and that of physical health as well, then truly there will be much cause for rejoicing. Remember the injunction: "Seek ye first the Kingdom of God and His Righteousness and all these things shall be added unto you."

The plans for the first Sunday of the New Year are as follows:

At 10:00 sharp a Love Feast in which there will be the breaking of bread in the fashion of the Old Time Love Feast. Every member and probationer of the church should be present if possible, and all others are most cordially invited to attend.

At 10:30 Morning worship. Sermon by the pastor followed by the Sacrament of the Lord's Supper. There should be a large attendance at this service because of its great value in the redemption of lives for Him the new year.

At 12 M. The Sunday School session. The course of study changes to the Old Testament. Many very interesting lessons are before us for the new quarter. The classes should be full.

At 6:30 p. m. Epworth League Topic: "Promises of a Redeemer." The text is in Isa. 43:1. By request of the League the pastor will begin a series of four lectures on "The Epworth League Prayer Meeting." These were delivered at the Silver Lake Institute last Summer, before one of the classes there.

At 7:30. The federated meeting in the Presbyterian church. All who believe in a more complete union of the churches have an opportunity here to practice what they preach. It belongs to the people. Let us make good use of it.

**Church Night**  
By the time this reaches the readers of the News the first Church Night will have taken place. Over a month at least these meetings will be held, possibly more frequently. But from this day on every Sunday evening will be Church Night. The pastor is planning a series of Bible Studies that will make the

evening valuable, every week at the regular prayer meeting hour. Will the people of Andover kindly co-operate with the churches in making Thursday evening of each week "Church Night." The favor will be most graciously reciprocated.

**New Members**  
Four were received on Probation last Sunday and one into full membership. Several others will be received next Sunday. If there are any that the pastor has not yet seen in regard to this matter let them get in touch with him at once that they may be received at once.

**Philathea Doings**  
The Philathea Class cordially invites everybody to join with them in a social evening at the church next Monday night. It is not for the class only but for all hands, young and old and all in between. Mrs. John Straut is in charge. A tureen lunch will be served at the close of the evening. Tuck your tureen under your arm and come along.

**\$11.50 Christmas Eve**  
The plan to give rather than receive this year at the Christmas free exercises was met by a ready response on the part of all the Sunday School. The amount of money received for the War Relief Fund was \$11.50 This will be administered by the Board of Foreign Missions of the M. E. church and has already been forwarded to them for their relief work in the war zone.

**Epworth League Sends Barrel**  
The Epworth League has again sent its annual gift to the poor of Buffalo through the agency of the Deaconess Home of that city. The barrel included clothes of different sorts and four fine new quilts that were pieced by Mrs. Mary Baker and Mrs. Henry Carr. They will help materially at a time when there is much suffering in the cities.

**Junior League Meeting**  
The Junior League will resume its meetings next Friday afternoon in charge of Mrs. Baker and Mrs. Starr. Let all of the members be present and each bring one new member.

**Official Board Meeting**  
A meeting of the Official Board was held at the church last Monday evening. Several matters of importance were attended to. A goodly number were present.

Some Tasks are Hard and Some Tasks are Easy for Wat Ads While Few Inded are Imposible!

The easy want ad tasks are usually accomplished through ONE PUBLICATION of the ad. The hard want ad tasks may require REPEATED PUBLICATIONS of the ad sometimes growing into the dignity of "want ad campaigns."

And, while purely "transient" classified advertising may not complete the task set for it, a "want ad campaign" does not fail, if sensible persistence is used. This means that such difficult want ad tasks as that of finding THE ONE BEST BUYER for your property, or the man who will be glad to invest in your enterprise, or the best possible tenant for that store or business property, are SURE TO BE ACCOMPLISHED if you enter upon suitable want ad campaigns.
