## The Last Week of the White Sale

Ends Thursday, January 21st

January is the month to spend money, because our store is filled with so many things that are worth so much more than money to you.

Ten Dollars in January will oftentimes buy as much as fifteen dollars in December or March.

### To Save Money You Must Spend It

If you keep your ten dollars a few weeks longer it will only be worth \$10, but this month—if you come and profit by the bargains quoted below you can make it worth \$15.00.

Come tomorrow to share the splendid offerings told about on this page.
