### New Designs in Dinnerware

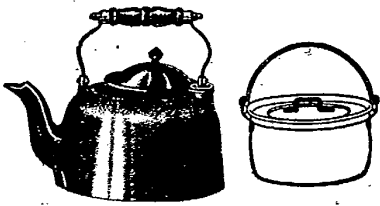

We extend to everyone a most cordial invitation to visit our Basement Store. Come and see the New Designs in China. Several beautiful new patterns in open stock have recently arrived.

Be sure and attend the Aluminum Demonstration mentioned below.

### VISIT OUR BASEMENT STORE--A PLACE TO SAVE MONEY

#### A Special Proposition in Aluminum

We are meeting the steadily growing demand for Aluminum Utensils with the most complete stock shown in Hornell.

In order to introduce Aluminum into a still greater number of homes we continue our special proposition.

With any \$10.00 purchase of Aluminum of your own selection we include

**FREE OF CHARGE  
A TRIPLE COOKER.**

You can make the selection from either "Everlasting Ware" or "Swissalu" Imported Aluminum.

Your particular attention is called to the Swissalu Tea Kettle illustrated above. It is cast in one piece and is absolutely without a seam. Cover and handle are riveted together at top with rubberoid on handle.

The construction makes it practically indestructible. Being seamless it is very easily cleaned.

The finish is even finer than silver and just as brilliant.

Three sizes—6, 8 or 10 quart.

Also ask to see Swissalu Berlin Kettles with set-in covers like above illustration. It cannot boil over.

Five sizes **\$1.30 to \$2.85.**

#### Demonstration of New Aluminum Pancake Griddle

Thursday, Friday and Saturday afternoons, January 21, 22 and 23rd.  
2 to 5 o'clock each day

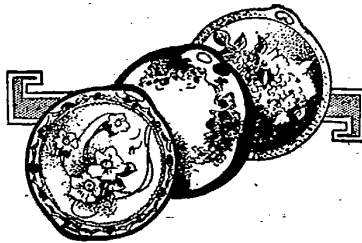

Any amount of advertising on our part about the above Griddle will not be as convincing as ten minutes of your time attending the Demonstration and "seeing for yourself" the merits of this Aluminum Griddle.

The price for this solid cast Aluminum Griddle is only **\$1.69**. The regular price was \$2.25, but we bought a quantity at a special price, and are passing the benefit on to you. Attend the Demonstration and try a Hot Cake baked on this Griddle.

#### Weller Brown Ware

Just received a shipment of new "Weller Ware"—similar to "Gurnsey Ware." This comes in Casseroles, Bowls, Cups, Pie Plates, Pitchers, Bean Dishes, etc. Prices are from **10c upwards.**

#### English Dinnerware

We call your attention to a set of Maddock's English semi-porcelain ware. It is highly glazed and will not craze.

The pattern is a reproduction of a very expensive China Set. It has a gold edge with green and tan lattice border, broken by blue scroll with tan flower in center of scroll.

This comes in Open Stock or a 100 piece Dinner Set at **\$19.50.**

Another set is "Maddock's Royal Vitreous" best English porcelain. Plain shape, gold edge, blue black ground band with tan cone shaped ornaments, with green leaf and yellow flower spray. Gold stripe handles and knobs.
