Build Up Your Credit

The man who opens an account at a bank is making the best possible start toward building up his credit.

The fact that he pays his bills by giving a check on the bank adds to his standing with the business men—he also avoids errors in making change and trouble over disputed payments.

Our facilities for caring for your account are good—we would be pleased to have you open one with us.

If your property is desirable and your ad gives people that impression—you'll sell it.

The young man walked down Dearborn street with one shoe off and his coat turned inside out. A policeman stopped him.

"What's the idea?" he demanded. "Well, you see it's this way," replied the young man. "I'm taking a course at a correspondence school, and yesterday those darn sophomores wrote to me and told me to haze myself."

When one more housewife becomes a regular, systematic reader of the ads, one more home is added to the number of Wisely Managed Households in this city.
