MAGNIFICENT SUCCESS THROUGHOUT CANADA

"Fruit-a-tives"—With Its Message Of Health and Happiness—Now Comes To The United States To Relieve The Sick And The Suffering.

THE ONLY MEDICINE MADE FROM FRUIT JUICES

"FRUIT-A-TIVES"—the fruit medicine which has been responsible for many remarkable cures in all parts of Canada and England—has become a naturalized American. "Fruit-a-tives" crossed the line from Ottawa, the Capital of the Dominion, several months ago and took up residence at Ogdenburg, New York, where offices and fruit label works are located.

The success of "Fruit-a-tives" has been one of the wonders of the Canadian medical world. Just to give some idea of the demand for "Fruit-a-tives" in Canada, it may be mentioned that the sales last year amounted to one million, one hundred and fifty two thousand boxes (1,152,000) or, in simple figures, six tablets for every man, woman and child in the country.

"FRUIT-A-TIVES" is the only medicine in the world made from fruit juices. By a remarkable discovery of one of the leading physicians of Ottawa, the juices of apples, oranges, figs and prunes are transmuted into a new compound which has all the medicinal and relieving properties of fruit juice and in more marked degree.

"FRUIT-A-TIVES" has helped to cure many people in a very wonderful way; notably in very Severe Dyspepsia, which was thought to be Cancer of the Stomach—in chronic Constipation of 20 years standing—in Kidney and Bladder Troubles—in terrible Nervousness and Sick Headaches—in Heart Trouble, caused by Indigestion and Constipation—in Eczema and other Skin Troubles. Photographs and personal letters will be published to prove every claim made by "Fruit-a-tives".

The prices for "Fruit-a-tives" are 50c. a box, 6 for \$2.50, trial size 25c. These tablets are rapidly being placed on sale in drug stores and stores handling medicines. Should you be unable to obtain them in your neighborhood, you can get them, postpaid, by remitting the retail price to Fruit-a-tives Limited, Ogdenburg, New York.
