For the Big Sale

Backus has just been in and wants me to get all of my old out-of-date, cast away goods together for this big sale. Now I haven't got any such stuff. Every dollars worth of my goods is worth one hundred cents. So I don't know what to do. Let me think. But I will do this:

You can buy at my store all the goods you want during this Sale at from 10 to 50 Per Cent. Discount from the regular price.

It will pay you to look this stock over as I have all the
