T. F. M. HAWLEY DIED THURSDAY

Superintendent of Allegheny Division of the Erie Railroad died in Bradford After Long Illness.

Superintendent Frederick M. Hawley of the Allegheny and Bradford divisions of the Erie Railroad, and a former resident of Andover, died shortly after 6 o'clock Tuesday evening at the home of his sister-in-law, Miss Cadam, 14 Kane street, Bradford, Pa. Death was due to a disease.

Death of Mr. Hawley, one of the most highly respected and widely-known men in Northwestern New York and Eastern Pennsylvania. Practically his life an active railroad man, he is known in nearly every office in the country. He was born in Canaseraga in 1862. Hawley spent his boyhood in this section. From Canaseraga he moved to Angelica, N. Y., where he learned telegraphy. He was the starting point of a long and remarkable railroad career. About 1881 he entered the service of the Erie Railroad as an operator at Andover, N. Y., as a conductor.

In 1882 upon the completion of the Bradford division south to Junction, he was appointed an assistant in Bradford, Pa. In 1889 he was appointed master of the Susquehanna division with headquarters in Allentown.

In 1898 Mr. Hawley was transferred to the Delaware division where he had the same capacity of trainmaster for two years he remained in charge of that office. In 1900 he returned to the Susquehanna division still as trainmaster and during the congestion of the Pennsylvania Railroad Exposition at Buffalo, N. Y., he served as special passenger trainmaster of the Allegheny and Susquehanna divisions. He was in his old position at the time of the exposition.

In 1912 he became the superintendent of the Allegheny and Bradford divisions with headquarters at Cana, serving in this capacity until about two weeks ago when he was taken ill and confined to his bed. He was unable to apply for a leave of absence. For a time he was a patient at the St. Vincent hospital in New York City, returning a few days ago to the home of his sister-in-law in Bradford.

His entire railroad career has been spent in the employ of the Erie Railroad Company and on the part of Mr. Hawley, General Manager A. J. Stone has issued the following bulletin to be posted on the bulletin board of the entire system: With sorrow you are advised of the death at Bradford, Pa., of Frederick M. Hawley, Superintendent of the Allegheny and Bradford divisions. Mr. Hawley's entire railroad service was with this company. He served with distinction and honor on the Allegheny, Bradford, Susquehanna and Delaware divisions. The Company has lost a capable officer and the office is sorely grieved by the loss of an associate.

A. J. STONE, General Manager.

Hawley was married about 1890 to Miss Rose Cadam of Bradford, and besides her left by one son, Sangster of Bradford; his mother, Mrs. A. Hawley, of Canaseraga and two brothers, Orden and John, of Texas.

Those who have served with him and under him are united in their praise of him, as a most and upright conductor and a man of remarkable personality.

The funeral was held Monday at 9 o'clock at Bradford.
