OUR CHURCHES

SEVENTH-DAY BAPTIST CHURCH

Rev. V. L. Eggleston will speak at the regular morning service at 10:30.

Bible School following the morning service.

Friday evening at 7:30. Adah Belle Bassett, leader. Topic, "Prayer."

METHODIST EPISCOPAL CHURCH

Rev. F. M. Baker, Pastor.

Sunday, March 21. The theme of the morning discourse will be "Three Commands for the Willing Soldier."

Bible Classes at noon. Epworth League at 6:30.

Federated service at the Baptist church. Bro. Randall's message will do you good. Come and get it.

Prayer Meeting Theme next week, "What is God Expecting of Me?"

PRESBYTERIAN CHURCH

Hamilton B. Williams, Minister.

Sunday Morning March 21

The sermon will be a "Spring Song," in the spirit of the season.

Federated Meeting Baptist Church

Let the people of the town assemble at this evening hour around a common altar for light and inspiration for the morrow. The way must be trod—let us walk in the lighted road.

Decision Day Rally

Mr. Williams desires the members of the congregation and Sunday School, not as yet members of the church, to take this great step at this time. There's every reason for it; no reason against it.

The Church Board's Fund

This will be the last opportunity to show a neighborly spirit by contributing to the work of the "larger church," through its efficient boards. Plan to make a good offering Sunday morning.

Miss Loughlen's Talk

The large associated young peoples' societies enjoyed very much a very interesting and finely delivered address last Sunday evening.

Communion Service April 4

Special Meetings Passion Week

We want to make the few days before Easter tell largely in a deepened religion, and a greater enthusiasm for the King's Kingdom.

BAPTIST CHURCH

Rev. W. H. Randall, Pastor.

Sunday-morning, Mar. 21st the morning service at 10:30. The pastor will speak on that all important topic "How to Pray." We all can learn something that will help to make us more efficient.

Sunday School at 11:45. The study of God's word is the most important study that we can engage in as it helps us so much in our every day life.

The Young Peoples' Meetings

The Junior Christian Endeavor will meet at 3:00. This meeting is always well attended, and not only a pleasant hour is spent,

but these young boys and girls are learning lessons that will greatly help them.

The Young People's Christian Endeavor Society will meet at 6:00. This service is a live one and is well supported, and the young people are showing a good interest. However, there is room for others who belong to the society and also those who should belong. Let it be the work of our society and all the others in our churches to get the young people into one of the societies that are chiefly for the young. If they do not belong to mine then I want them to go to yours.

The federated evening service at 7:30. This meeting will be held in our church, but it is your service, and the results depend upon the people in the pews as well as the ministers in the pulpit.

The Mid-Week Meetings

The Parthen Lights Society will meet at Mrs. Russell's, on Monday evening, March 22nd. Not only are all the members invited to come to this meeting, but we urge you to lay aside all else and come, as much must be done before the 31st of the month.

The church meeting—The prayer meeting of the church will be held on Thursday evening at 7:30. Let us come to pray and study the lesson for the coming Sunday.

There is but little time left in which to raise our missionary monies. The year will close on the 31st of this month and our report must be made before that time. Some have signed and paid and some have done nothing as yet, and we are far from meeting our apportionment. The pastor is anxious to have the church do as well as we did last year, if not better. If all who have not signed or paid for home or foreign missions will kindly hand to their pastor what they feel that they wish to do he will be very thankful.

LADIES COATS AND SUITS

We are showing the New Spring Coats and Suits this week. New Dress Materials also. Every woman is invited to come and see the new things whether you buy or not.

WHERE WOMEN CAN SAVE MONEY

EVERY WOMAN in this community can save money if she wants to. She can save it by doing her trading right at this store. She can save it because we sell everything in the state at the lowest margin of profit of any store in the community. She can save it because we take advantage of every count known to the wholesale market and give our customers the benefit of that discount. She can save it because we are willing to sell her goods at a price below that of any store in this section of the country. She can save it because we are making these close prices in order to retain permanently patronage and good will of the people of this community.

Quality Milk

Patrons Andover Condensatory

report circulated as coming from Borden's Cond. Milk Co. I beg leave to give some of our patrons, All statements are true. Borden's Co. is the largest other buyers are competing. Y. State. It's not an easy sell against such competition. prices paid for milk, as Borden's contracted and paid for grade milk in 32c zone.

\$1.30 per 100
1.05 per 100
1.00 per 100
1.15 per 100
1.30 per 100
1.40 per 100
1.70 per 100
1.80 per 100
1.80 per 100
1.75 per 100
1.65 per 100
1.60 per 100

Total \$17.50

It's a wish that all patrons are lower than Borden's for which will be noted below is produced. In all statements of truth and some of the 10 per 100 for milk also a territory called 26c freight-zone in this 32c zone. They all are scoring over 68 rooms and ice or a running their milk (both messes) condensatory under that territory. They also pay butter fat last Nov. and Dec. 1914.

C grade 32c zone \$1.80 for 26c zone 10c extra for grade B 10c extra for high butter fat 10c extra

Total \$2.10

Making the \$2.10 per pound milk to keep up markets are dangerous when has paid for lower test Borden's higher test.

All reasonable effort has to get rid of low testing fat cows as it don't cost a cent. The high testing cow does. There has been obstacle reasons on account of quarantines can effect same without made on 7 herds to determine their standing is shown in
